1. If the bidder is a Micro or Small Enterprise (MSE) as per latest orders issued by Ministry of MSME, the bidder shall be relaxed from the eligibility criteria of "Bidder Turnover" as defined above subject to meeting of quality and technical specifications. If the bidder itself is MSE OEM of the offered products, it would be relaxed from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. The bidder seeking Relaxation from Turnover, shall upload the supporting documents to prove his eligibility for Relaxation.
2. If the bidder is a DPIIT registered Startup, the bidder shall be relaxed from the the eligibility criteria of "Bidder Turnover" as defined above subject to their meeting of quality and technical specifications. If the bidder is DPIIT Registered OEM of the offered products, it would be relaxed from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. The bidder seeking Relaxation from Turnover shall upload the supporting documents to prove his eligibility for Relaxation.
3. The minimum average annual financial turnover of the bidder during the last three years, ending on 31st March of the previous financial year, should be as indicated above in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the bidder is less than 3-year-old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.
4. Experience Criteria: In respect of the filter applied for experience criteria, the Bidder or its OEM of the product offered in the bid {themselves or through reseller(s)} should have regularly, manufactured and supplied same or similar Category Products to any Central / State Govt Organization / PSU for number of Financial years as indicated above in the bid document before the bid opening date. Copies of relevant contracts and delivery acceptance certificates like CRAC to be submitted along with bid in support of having supplied some quantity during each of the Financial year. In case of bunch bids, the category of primary product having highest value should meet this criterion.
5. OEM Turn Over Criteria: The minimum average annual financial turnover of the OEM of the offered product during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the OEM is less than 3 year old,

the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.

6. Preference to Make In India products (For bids < 200 Crore): Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to participate. The buyers are advised to refer the OM No.F.1/4/2021-PPD dated 18.05.2023.

[OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017.

7. Purchase preference will be given to MSEs having valid Udyam Registration and whose credentials are validated online through Udyam Registration portal as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail themselves of the Purchase preference, the bidder must be the manufacturer / OEM of the offered product on GeM. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises and hence resellers offering products manufactured by some other OEM are not eligible for any purchase preference. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service and Buyer will decide eligibility for purchase preference based on documentary evidence submitted, while evaluating the bid. If L-1 is not an MSE and MSE Seller (s) has / have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such MSE Seller shall be given opportunity to match L-1 price and contract will be awarded for 25% (selected by Buyer) percentage of total quantity. The buyers are advised to refer the OM No. F.1/4/2021-PPD dated 18.05.2023 [OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if seller is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.

9. Inspection of Stores by Nominated Inspection Authority / Agency of buyer or their authorized representatives

An independent third party Professional Inspection Body can help buyer in mitigating buyer's risk with pre-dispatch/post-dispatch inspection in order to ensure that equipment, components, solutions and documentation conform to contractual requirements. The buyer has a right to inspect goods in reasonable manner and within reasonable time at any reasonable place as indicated in contract. Inspection Fee/ Charges (as pre-greed between buyer and Inspection Agency) would be borne by the buyer as per their internal arrangement but may be recovered from the seller if the consignment failed to conform to contractual specification and got rejected by the Inspection Officer. If so requested and accepted by the seller, initially seller may pay for inspection charges as applicable and get the same reimbursed from buyer if consignment accepted by the Inspecting Officer. For reimbursement seller has to submit proof of payment to Inspection Agency.

Seller/OEM shall send a notice in writing / e-mail to the Inspecting officer / inspection agency specifying the place of inspection as per contract and the Inspecting officer shall on receipt of such notice notify to the seller the date and time when the stores would be inspected. The seller shall, at his own expenses, afford to the Inspecting officer, all reasonable facilities as may be necessary for satisfying himself that the stores are being and or have been manufactured in accordance with the technical particulars governing the supply. The decision of the purchaser representative /inspection authority regarding acceptance / rejection of consignment shall be final and binding on the seller.

The Seller shall provide, without any extra charge, all materials, tools, labour and assistance of every kind which the Inspecting officer may demand of him for any test, and examination, other than special or independent test,

which he shall require to be made on the seller's premises and the seller shall bear and pay all costs attendant thereon.

The seller shall also provide and deliver store / sample from consignment under inspection free of charge at any such place other than his premises as the Inspecting officer may specify for acceptance tests for which seller/OEM does not have the facilities or for special/ independent tests.

In the event of rejection of stores or any part thereof by the Inspecting officer basis testing outside owing to lack of test facility at sellers premises, the seller shall, on demand, pay to the buyer the costs incurred in the inspection and/or test. Cost of test shall be assessed at the rate charged by the Laboratory to private persons for similar work.

Inspector shall have the right to put all the stores or materials forming part of the same or any part thereof to such tests as he may like fit and proper as per QAP/governing specification. The seller shall not be entitled to object on any ground whatsoever to the method of testing adopted by the Inspecting officer.

Unless otherwise provided for in the contract, the quantity of the stores or materials expended in test will be borne by seller.

Inspecting officer is the Final Authority to Certify Performance / accept the consignment. The Inspecting officer's decision as regards the rejection shall be final and binding on the seller.

The seller shall if so required at his own expense shall mark or permit the Inspecting officer to mark all the approved stores with a recognised Government or purchaser's mark.

cal and/or electrical stresses developed therein under specified operating conditions.

iv. Performing data furnished/specified for the equipment shall be actually obtainable when the equipment is installed and tested at site.

21. **Comprehensive Warranty Clause:**

(i) Warranty Period: The supplier shall provide a comprehensive on-site warranty for the product/machine and all its components, sub-assemblies, accessories and software (if any) for a period of **one year** from the date of successful installation and commissioning and final acceptance of the product/machine and besides that warranty clause as per OFBPM-P&M-2013 and its subsequent amendment dtd 2019 is also applicable for this bid.

(ii) Scope of Warranty: During the warranty period, the supplier shall be fully responsible for the satisfactory performance of the product/machine. The warranty shall be **comprehensive in nature** and shall cover:

- Any manufacturing defect.
- Any functional defect.
- Any design defect.
- Any defect arising during operation under normal usage conditions.
- Failure of any component, sub-assembly or accessory.
- Performance deterioration affecting the intended output of the machine.
- Any defect or non-performance observed during the warranty period shall be treated as covered under warranty.

(iii) Obligation to Rectify & Replace: During the warranty period, the supplier shall:

- Rectify all defects and failures **free of cost**,
- Replace any defective part/component/sub-assembly **free of cost**,
- Supply all spares required for rectification **free of cost**,
- Provide all labour, tools, consumables and logistics **free of cost**,
- Carry out repairs at site within the response time specified in the tender.
- No payment whatsoever shall be made by the purchaser towards spares, labour, travel, or any incidental expense during the warranty period.

(iv) Downtime Clause: If the machine remains non-functional for more than 10 days due to reasons attributable to the supplier, the warranty period shall be extended by the equivalent downtime period.

(v) Failure to Rectify: In case the supplier fails to rectify the defect within the stipulated time, the purchaser shall have the right to:

- Get the defect rectified from any third party at the **risk and cost of the supplier**, and/or
- Forfeit the performance security deposit.

(vi) Exclusions: The warranty shall not cover damage caused due to:

- Misuse, negligence, or operation contrary to manufacturer's instructions,
- Unauthorized modification or repair by the purchaser,
- Force majeure events.

However, **burden of proof of exclusions shall lie on the supplier.**

(vii) Zero-escape clause: "Any failure of the machine or any of its parts during the warranty period shall be deemed to be a warranty defect unless the supplier conclusively proves otherwise."

(viii) Warranty of Supplies:

i. The seller / seller shall warranty that the equipment will be in accordance with the specification/contract suitable in design and workmanship for conditions envisaged in the specifications.

ii. The seller / seller shall give warranty that the machine or its spares thereof will be free from defects in design, material and workmanship.

iii. Seller's obligations under the warranty shall involve repair, rectification and making good at site any defect, imperfection or fault attributable to defective design, material or workmanship.

iv. If the machine or its part thereof found to have a defect that can be assumed to be present also in some other portion of the machine or its part thereof, the Seller shall investigate whether such further defect is present, and shall make good any further defects found.

v. Inspection by buyer's representatives at various stages would not relieve the seller of his obligations under the warranty.

vi. Warranty period will be for 12 (twelve) months after commissioning and final acceptance of the machine. But this will not be beyond 18 (eighteen) months from the date of delivery for indigenous equipment or 21 (twenty one) months from date of delivery for imported equipments, in case of delay in final acceptance for causes not attributable to the seller. This is also called Defect Liability period or Defect Correction period.

vii. The seller shall be asked to furnish PBG / Warranty Bond (Bank Guarantee) for 3 % of contract price valid for two months after warranty period, as security for its warranty obligations, before release of final 10% payment. The format for PBG / Warranty Bond is as per GeM Format.

22. General conditions of Warranty: Unless special Warranty/Guarantee clause has been stipulated in the invitation to tender or any of its Annexure, the following Warranty shall form part of the TE and contract placed on the successful bidder:

- The seller hereby warrants that the machines supplied to the buyer under this contract shall be of the best quality and workmanship and new in all respects and shall be strictly in accordance with the specifications and particulars mentioned in the said contract.
- The seller/seller further warrants that the plant/equipment would continue to conform to the specified description and quality and would be free from any nonconformity with the requirements of the contract (hereafter referred

d to as a 'defect') due to faulty design, materials or workmanship, for a period called 'warranty period' or 'defects liability period' as defined below :

- 12 (twelve) months from the date of commissioning and final acceptance of the plant/equipment at the buyer's site, in case of turn-key supply contracts, or
- 12 (twelve) months from commissioning and final acceptance of the plant/equipment at the buyer's site or 18 (eighteen) months from the date of delivery for indigenous equipment or 21 (twenty one) months from date of delivery for imported equipments, whichever is earlier, in case of other contracts.
- If the commissioning/acceptance of the Machine(s) is delayed due to fault of seller/seller, the warranty period will automatically get correspondingly extended further for the delayed period.
- Notwithstanding the fact that the buyer (or his representative) may have inspected and/or approved the machine(s), if any defect is discovered in the machine(s) during the aforesaid warranty period and the decision of the buyer in that behalf shall be final and binding on the seller, the buyer shall be entitled to call upon the seller to rectify such defect.
- The buyer shall notify the defects to the seller in writing without undue delay after the defects are noticed, and in any event not later than thirty (30) days after the expiry of the warranty period.
- Upon receipt of notice from the buyer about any defect that occurs during the warranty period, the seller shall respond immediately and make good the defect within a reasonable period, or such specific period as may be allowed by the buyer at the request of the seller, without any charges and costs to the buyer.
- If the machine(s) found to have a defect that can be assumed to be present also in some other portion of the plant/equipment, the seller shall investigate whether such further defect is present, and shall make good any further defects found.
- If a defect appears, requiring immediate action due to the risk of resultant damage, and if the seller cannot make immediately arrangement to rectify the defect, the buyer is entitled to apply all necessary measures to prevent or limit damage. This warranty is not applicable if the defect is attributable to normal wear and tear or incorrect operation or negligence or willful damage on the part of the buyer.
- Parts replaced or repaired under the above provisions shall be subject to the same warranty from the seller, and under the same conditions as apply for the rest of the machine(s), for a period of one (1) year after such replacement or repair has been effected. The warranty period for the rest of the machine(s) shall be extended only by the time during which it was out of operation as a result of defects covered by the above provisions. Nothing contained in this clause shall however extend the warranty period by a period beyond two (2) years after the commissioning and acceptance of the machine(s).

- Defective parts which have been replaced shall be made available to the seller without cost. However, the seller shall be responsible for lifting the defective parts and transporting the same at his cost from buyer's place within mutually agreed time period.
- In case of failure on the part of the seller to fulfill any warranty obligations, the seller shall pay to the buyer such compensation, as may arise from the breach of the warranty herein contained."
