सूक्ष्म और लघु उद्यम मूल उपकरण निर्माताओं को खरीद में प्राथमिकता, यदि उनका मूल्य L1+X% तक की सीमा में हो / Purchase Preference to MSE OEMs available upto price within L1+X%	15
सूक्ष्म और लघु उद्यम को खरीद में प्राथमिकता के लिए बिड की मात्रा का अधिकतम प्रतिशत / Maximum Percentage of Bid quantity for MSE purchase preference	25

1. The minimum average annual financial turnover of the bidder during the last three years, ending on 31st March of the previous financial year, should be as indicated above in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the bidder is less than 3-year-old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.

2. Experience Criteria: In respect of the filter applied for experience criteria, the Bidder or its OEM of the product offered in the bid {themselves or through reseller(s)} should have regularly, manufactured and supplied same or similar Category Products to any Central / State Govt Organization / PSU for number of Financial years as indicated above in the bid document before the bid opening date. Copies of relevant contracts and delivery acceptance certificates like CRAC to be submitted along with bid in support of having supplied some quantity during each of the Financial year. In case of bunch bids, the category of primary product having highest value should meet this criterion.

3. OEM Turn Over Criteria: The minimum average annual financial turnover of the OEM of the offered product during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the OEM is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.

4. Preference to Make In India products (For bids < 200 Crore): Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to participate .The buyers are advised to refer the OM No.F.1/4/2021-PPD dated 18.05.2023.

[OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017.

5. Purchase preference will be given to MSEs having valid Udyam Registration and whose credentials are validated online through Udyam Registration portal as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail themselves of the Purchase preference, the bidder must be the manufacturer / OEM of the offered product on GeM. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises and hence resellers offering products manufactured by some other OEM are not eligible for any purchase preference. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service and Buyer will decide

eligibility for purchase preference based on documentary evidence submitted, while evaluating the bid. If L-1 is not an MSE and MSE Seller (s) has / have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such MSE Seller shall be given opportunity to match L-1 price and contract will be awarded for 25% (selected by Buyer) percentage of total quantity. The buyers are advised to refer the OM No. F.1/4/2021-PPD dated 18.05.2023 [OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if seller is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.

6. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of quoted prices which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.

7. Past Performance: The Bidder or its OEM {themselves or through re-seller(s)} should have supplied same or similar Category Products for 10% of bid quantity, in at least one of the last three Financial years before the bid opening date to any Central / State Govt Organization / PSU. Copies of relevant contracts (proving supply of cumulative order quantity in any one financial year) to be submitted along with bid in support of quantity supplied in the relevant Financial year. In case of bunch bids, the category related to primary product having highest bid value should meet this criterion.

8. Inspection of Stores by Nominated Inspection Authority / Agency of buyer or their authorized representatives

An independent third party Professional Inspection Body can help buyer in mitigating buyer's risk with pre-dispatch/post-dispatch inspection in order to ensure that equipment, components, solutions and documentation conform to contractual requirements. The buyer has a right to inspect goods in reasonable manner and within reasonable time at any reasonable place as indicated in contract. Inspection Fee/ Charges (as pre-greed between buyer and Inspection Agency) would be borne by the buyer as per their internal arrangement but may be recovered from the seller if the consignment failed to conform to contractual specification and got rejected by the Inspection Officer .If so requested and accepted by the seller , initially seller may pay for inspection charges as applicable and get the same reimbursed from buyer if consignment accepted by the Inspecting Officer . For reimbursement seller has to submit proof of payment to Inspection Agency.

Seller/OEM shall send a notice in writing / e-mail to the Inspecting officer / inspection agency specifying the place of inspection as per contract and the Inspecting officer shall on receipt of such notice notify to the seller the date and time when the stores would be inspected. The seller shall, at his own expenses, afford to the Inspecting officer, all reasonable facilities as may be necessary for satisfying himself that the stores are being and or have been manufactured in accordance with the technical particulars governing the supply. The decision of the purchaser representative /inspection authority regarding acceptance / rejection of consignment shall be final and binding on the seller.

The Seller shall provide, without any extra charge, all materials, tools, labour and assistance of every kind which the Inspecting officer may demand of him for any test, and examination, other than special or independent test, which he shall require to be made on the seller's premises and the seller shall bear and pay all costs attendant thereon.

The seller shall also provide and deliver store / sample from consignment under inspection free of charge at any such place other than his premises as the Inspecting officer may specify for acceptance tests for which seller/OEM does not have the facilities or for special/ independent tests.

In the event of rejection of stores or any part thereof by the Inspecting officer basis testing outside owing to lack of test facility at sellers premises, the seller shall, on demand, pay to the buyer the costs incurred in the inspection and/or test. Cost of test shall be assessed at the rate charged by the Laboratory to private persons for similar work.

Inspector shall have the right to put all the stores or materials forming part of the same or any part thereof to such tests as he may like fit and proper as per QAP/governing specification. The seller shall not be entitled to object on any ground whatsoever to the method of testing adopted by the Inspecting officer.

Unless otherwise provided for in the contract, the quantity of the stores or materials expended in test will be borne by seller.

Inspecting officer is the Final Authority to Certify Performance / accept the consignment. The Inspecting officer's decision as regards the rejection shall be final and binding on the seller.

The seller shall if so required at his own expense shall mark or permit the Inspecting officer to mark all the approved stores with a recognised Government or purchaser's mark.

Special terms and conditions-Version:2 effective from 29-04-2024 for category Argon Plasma Coagulator with ESU

1. o

- All Provisions of Drugs and Cosmetics Act, 1940 and Rules made there under as amended till date will always be applicable. This will include all notifications issued by *Central Drugs Standard Control Organisation(CDSCO)*, Ministry of Health & Family Welfare (MoHFW) and Department of Pharmaceuticals (DOP), Ministry of Chemicals & Fertilizers time to time in this regard.
- The sellers are registered on GeM based on self-declaration of valid Drug License, product certification, test reports etc. However, buyers must check and validate the details at their end for all applicable licenses and certifications e.g., validity and authenticity/genuineness of drug license, product certification, manufacturer certification/licenses, test reports etc.
- The price offered by the seller shall not, in any case exceed the DPCO controlled price, if any, fixed by the Central/State Government, the Maximum Retail Price (MRP) and the selling price. The seller must reduce the prices if there is any reduction in DPCO ceiling price, if any.
- Comprehensive warranty:** Comprehensive warranty shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares. During the warranty period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer's technical/ service /operational manual, at least once in six months. warranty shall not be including the consumables. Further there will be 98% uptime warranty during warranty period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend warranty period by double the downtime period.
- Service centres:** Details of Service outlets in India to render services for equipment to be furnished to buyer/consignees with complete address,telephone numbers, e mails etc at time of making the supplies. It shall be the responsibility of seller to ensure that authorized service centres are available to cater to the areas where supplies are made within reasonable distance from where the service calls can be handled.Details of toll-free numbers for service call and online registration of service requests also to be provided buyer/consignee at the time of supplies.
- Source of supply:** It shall be responsibility of seller to provide Documents regarding source of equipments such as copy of Performa invoice or any other documents to establish that the products supplied are manufactured by OEM indicated and sourced from them.
- Packing and Marking:** Medical equipments being very delicate and sensitive packing for the goods should be strong and durable enough to withstand transit including transshipment (if any), rough handling, open storage etc. without any damage, deterioration etc. .The size, weights and volumes of the packing cases, remoteness of the final destination of the goods, availability or otherwise of transport and handling facilities at all points during transit up to final destination,. Quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall take into consideration the type of medical equipments being supplied. The accessories shall be suitably labelled and packed. Each of the package shall be marked on three sides with indelible paint of proper quality: indicating contract number and date, brief description of goods including quantity, Packing list reference number, country of origin of goods and any other relevant details.
- Spare Parts:** Seller shall provide materials, information etc. pertaining to spare parts manufactured and supplied by the OEM. It shall be ensured that the required spares are available for purchase at least for 10 years from date of supplies. In case due to any reasons the production of the spare parts is discontinued sufficient advance notice should be given to the buyer/consignee before such discontinuation to provide adequate time to purchase the required spare parts etc. Further, OEM and their service centres/dealers shall carry sufficient

inventories to assure ex-stock supply of consumables and spares for the equipments so that the same are available.

OEM or reseller shall

always accord most favoured client status to the buyer/consignee and shall give the most competitive price for spares and consumables of its machines/equipments supplied.

9. **Installation, Training, Manuals:** Seller shall be responsible to carry out Installation & commissioning, Supervision and Demonstration of the goods. They shall provide required jigs and tools for assembly, minor civil works for the completion of the installation and Training of Consignee's representatives for operating and maintaining the equipment and supplying required number of operation & maintenance manual for the goods. In case the category parameters are specifying any requirements regarding the installations, training and manuals the same shall also be applicable.
10. **Electrical safety checking:** Sellers are required to make sure that they furnish the list of equipments for carrying out routine and preventive maintenance to buyer/consignee .They should make sure to periodically check the electrical safety aspects as per BIS Safety Standards or equivalent .In case they do not have required equipment for such testing should ensure that the equipments checked for electrical safety compliance through labs with facilities for such checking during every preventive maintenance call.
11. **Software:** All software updates should be provided free of cost during warranty period.
12. Any other Terms and Conditions which is not included or at variance with the conditions specified in STC/GTC, may be added by the buyer through Additional Terms and Conditions in the bid to ensure items are procured from authentic/validated source with appropriate and applicable quality. The above terms and conditions are in reverse order of precedence i.e. ATC shall supersede specific STC which shall supersede General Terms and Conditions ("GTC"), whenever there are any conflicting provisions.

क्रेता द्वारा जोड़ी गई बिड की विशेष शर्तें/**Buyer Added Bid Specific Terms and Conditions**

11. **OEM**

IMPORTED PRODUCTS: In case of imported products, OEM or Authorized Seller of OEM should have a registered office in India to provide after sales service support in India. The certificate to this effect should be submitted.

12. **Inspection**

Nominated Inspection Agency: On behalf of the Buyer organization, any one of the following Inspection Agency would be conducting inspection of stores before acceptance:
Pre-dispatch Inspection at Seller Premises (applicable only if pre-dispatch inspection clause has been selected in ATC):

Board of Officers

Post Receipt Inspection at consignee site before acceptance of stores:
Board of Officers

13. **Scope of Supply**

Scope of supply (Bid price to include all cost components) : Supply Installation Testing Commissioning of Goods and Training of operators and providing Statutory Clearances required (if any)

14. **Certificates**

Bidder's offer is liable to be rejected if they don't upload any of the certificates / documents sought in the Bid document, ATC and Corrigendum if any.

15. Turnover

Bidder Turn Over Criteria: The minimum average annual financial turnover of the bidder during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the bidder is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.

16. Turnover

OEM Turn Over Criteria: The minimum average annual financial turnover of the OEM of the offered product during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the OEM is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria. In case of bunch bids, the OEM of CATEGORY RELATED TO primary product having highest bid value should meet this criterion.

17. Service & Support

Dedicated /toll Free Telephone No. for Service Support : BIDDER/OEM must have Dedicated/toll Free Telephone No. for Service Support.

18. Service & Support

Escalation Matrix For Service Support : Bidder/OEM must provide Escalation Matrix of Telephone Numbers for Service Support.

19. Warranty

Bidder / OEM has to give an undertaking that after expiry of warranty period, it will provide Comprehensive Maintenance Service for next 5 years for the offered products at the rate not more than 5 % of contract price per annum. Buyer reserves the right to enter into a CMC agreement with the Successful Bidder / OEM after expiry of the Warranty period at above mentioned rate and the payment for the CMC charges would be made Annually after rendering of the CMC Services of the relevant CMC period. Performance Security of the successful bidder shall be forfeited if it fails to accept the CMC contract when called upon by the buyer. CMC would include cost of

To be paid by the consignee unit (Upload the undertaking). The original Performance Security of contract will be returned only after submission and verification of AMC Performance Security for 3% of total CMC value valid up to CMC period plus 2 months (if there is no other claim).

20. Warranty

Warranty period of the supplied products shall be 5 years from the date of final acceptance of goods or after completion of installation, commissioning & testing of goods (if included in the scope of supply), at consignee location. OEM Warranty certificates must be submitted by Successful Bidder at the time of delivery of Goods. The seller should guarantee the rectification of goods in case of any break down during the guarantee period. Seller should have well established Installation, Commissioning, Training, Troubleshooting and Maintenance Service group in INDIA for attending the after sales service. Details of Service Centres near consignee destinations are to be uploaded along with the bid.

21. Warranty

Successful bidder will have to ensure that adequate number of dedicated technical service personals /

engineers are designated / deployed for attending to the Service Request in a time bound manner and for ensuring Timely Servicing / rectification of defects during warranty period, as per Service level agreement indicated in the relevant clause of the bid.

22. **Warranty**

Timely Servicing / rectification of defects during warranty period: After having been notified of the defects / service requirement during warranty period, Seller has to complete the required Service / Rectification within 4 days time limit. If the Seller fails to complete service / rectification with defined time limit, a penalty of 0.5% of Unit Price of the product shall be charged as penalty for each week of delay from the seller. Seller can deposit the penalty with the Buyer directly else the Buyer shall have a right to recover all such penalty amount from the Performance Security (PBG). Cumulative Penalty cannot exceed more than 10% of the total contract value after which the Buyer shall have the right to get the service / rectification done from alternate sources at the risk and cost of the Seller besides forfeiture of PBG. Seller shall be liable to re-imburse the cost of such service / rectification to the Buyer.

23. **Generic**

Buyer Organization specific Integrity Pact shall have to be complied by all bidders. Bidders shall have to upload scanned copy of signed integrity pact as per Buyer organizations policy along with bid. [Click here to view the file](#)

24. **Buyer Added Bid Specific ATC**

Buyer Added text based ATC clauses

BROAD BASED QR FOR COMBINED HIGH-END RF, ARGON PLASMA AND WATER JET SURGICAL WORKSTATION WITH AUTOMATIC SURGICAL SMOKE EVACUATION SYSTEM

An integrated RF, with Argon and Kinetic energy surgical Platform, which can dissect, coagulate and seal the tissues during open and laparoscopic surgeries. System should comprise of below Type of Module Energies.

(A) RF Energy platform- Electro surgery unit with Vessel Sealing

1. The electro surgical generator should be a 400watt touch screen display with 15 digital signal processors.
2. Unit should facilitate functions of monopolar, bipolar & vessel sealer with in-built regulated power supply adapter for bipolar resections.
3. Unit should have a Step guide suggesting appropriate setting configurations for every instrument and application.
4. The system should make 25 million measurements/ sec for better tissue effect and should measure tissue impedance through power peak system.
5. System should have wifi compatibility for future OR integration.
6. Unit should be plug & play with 5 or more universal multi-functional sockets to accommodate any instrument.
7. System should have remote function to allow user to access 6 sub programs directly from the sterile field.
8. Unit should have high cut mode for monopolar TUR-P or TUR-B.
9. Each socket should support the Autostart function for bipolar instruments.
10. Unit should have the facility for socket exchange.

11. Unit should have Soft Coagulation mode with quick start function for any open or laparoscopic application.
12. Unit should have PreciseSect mode for optimized dissection in open or laparoscopic cases.
13. The generator should work on a supply voltage of 100-200 VAC & 220-240 VAC
14. Power consumption at Max HF power should be 550 watts max pulse power consumption of 1600 watts.
15. Should have a special Coagulation mode called "Thermoseal" with auto start function for highly vascularized tissue bundles and vessels upto 7mm diameter and min. burst 360mmHg burst pressure.
16. Unit should have an AutoCut bipolar mode to facilitate bipolar cutting instruments.
17. Supply frequency should be in the range of 50-60 Hz.
18. Unit should have the facility to store 1800 programmes or applications.
19. Unit should have the facility to show the active instruments on the screen display.
20. The generator should have an inbuilt feature of accessory assignment.
21. The unit should have high cut bipolar to facilitate bipolar resectoscopes.
22. The generator should be compatible with Argon plasma coagulation unit having forced APC, pulsed APC and precise APC modes.
23. The generator should be compatible with hydrojet to facilitate use of unique hybrid technology instruments for partial nephrectomy/ en-bloc of prostate.
24. Unit must be compatible with Intelligent smoke evacuation module and suction module.
25. Unit should support Nassy as a neutral electrode.

(B) Argon Plasma Coagulation

For management of bleeding and devitalisation of tissue abnormalities achieved by optimal coordination with RF generator.

1. The Argon Plasma Coagulation system should have automatic parameters setting for various types of instruments and automatic depth controlled plasma regulation.
2. Should have three different APC modes suitable for different indications
 - Precise APC- Adjustment made using the effect settings
 - Pulsed APC- adjustment made using the parameter power settings.
 - Forces APC- adjustment made using the parameter power settings.

3. Should have Adjustable argon flow rate from 0.1L/min to 8L/min in steps of 0.1 L/min with automatic regulations of selected flow rate.
4. Should have the facility to use Argon plasma coagulation and monopolar coagulation simultaneously
5. Should have automatic monitoring of flow and Argon supply and auto purge facility. It should have the facility to connect with central gas supply.
6. Should give visual display of argon gas bottle content and should give Acoustic alarm when bottle content reaches a minimum.
7. Should have facility for activation of unit by foot pedal of the Electro Surgical unit.
8. Should have facility to use in double balloon endoscopy procedures.
9. Should have facility for Argon supported cutting and coagulation.

(C) Water Jet Tissue Dissection System

For management of separating the different tissue types with their varying elasticity and firmness with the help of adjusted water pressure based on the kinetic energy principle.

1. Should have pressure range: 1-80 bars & Volume flow: 1-65ml/min. It should indicate delivered fluid vol.
2. Should adapt any sterile saline solution bag (disposable) as separation medium.
3. Should be integrated with Electro surgical workstation with other accessories and facility to connect Monopolar coagulation with the applicator.
4. Should have facility to individually configure programs for different surgeries.
5. Water jet activation should be via footswitch and Remote facility for Switching between two different user settings.
6. Should have facility for various applicators to be used in laparoscopy, flexible endoscopy and open surgeries.

(D) Surgical Automatic Smoke Evacuation Unit

1. The smoke plume evacuation system should be microprocessor controlled, US-FDA and / or European Certificate marked in accordance with the medical devices directive (93/42/EEC) & Electro Surgical Unit should comply with the requirement of the medical device directive of class I equipment and electromagnetic compatibility.
2. The smoke plume evacuation system should be compatible with already installed VIO Surgical Workstation & Electrosurgical Units and should be fitted into same station trolley for smooth functioning and ergonomics.

3. The smoke plume evacuation system should be able to extract and filter smoke and aerosol- laden air during surgical procedures & should be also able to filter COVID-19 like viruses and other microorganism present in surgical smoke generated during the procedure.

4. The system should have a functional 5.7 inches touch screen display for better visibility & ease of control & display should be able to show settings, operating modes, filter run-time and information messages for the user.

5. The system should have Bi-Turbo technology for effective filtration, should have ULPA-15 filter (5 stage filter protection) and active carbon filters & should also have ability to remove 99.9995% of all 0.1µm particles.

6. The system filter should have maximum output of 730l/min & have the ability to give a notification when volume flow of more than 300l/min is reached.

7. The system should have ability to be used along with any electrosurgical unit, Laser and ultrasound devices & system should have automatic activation feature, no need of any additional footswitch for activation during monopolar electrosurgical applications.

8. The system should display error if filter is not inserted to prevent damage & system should be able to used in vertical as well as horizontal way as per user needs.

9. The system should have the ability to be fixed on the ceiling units (OT pendants) & should have the ability to be used with 2 instruments at the same time during any Surgical Procedures.

10. The system should be able to used in open as well as lap surgical procedures with all required Accessories from same OEM only & system noise development at 100% evacuation should be ≤ 59 dB as must have sound insulation cladding, integrated ducts and airborne sound absorbers for noise insulation.

11. The user should be able to set critical features like- suction efficiency, standby suction efficiency as well as standby suction time in both lap and open surge modes & should have footswitch activation facility for laser and ultrasonic uses during procedure.

12. The system should be provided with self-sealing water trap to protect the main filter cartridge from liquids & weight of system should be < 10 kgs.

13. Service life of the unit filter should be for:

OPEN SURGERIES

- 40 hrs at 30% evacuation
- 32 hrs at 60% evacuation
- 25 hrs at 100% evacuation

LAPAROSCOPY SURGERIES

- 80 hrs at 30% evacuation
- 60 hrs at 60% evacuation
- 25 hrs at 100% evacuation

14. The smoke evacuator unit should have an interface to connect it to the Electrosurgery system and should also be used as a “stand alone” unit.

- 15. The unit should have provision to be activated via the interface to the Electrosurgery unit, and the time and type of activation can be selected and stored for every output socket and for every cutting or coagulation mode of each program of the Electrosurgery unit.
- 16. The unit should additionally be activated manually using the START/ STOP button or the footswitch. Deactivation should be controlled via the interface or by programming an after-run time.
- 17. For safety reasons, an automatic function check of the unit and of the activation components connected to the unit should be performed after the mains switch has been switched on.
- 18. System display should indicate the filter level.
- 19. The smoke evacuator unit should be supplied with essential accessory Filter Cartridge.
- 20. The smoke evacuator unit should be supplied with essential accessories of same O.E.M.
- 21. One pedal foot switch AP & IP 100 % waterproof endorsed by IPX8 certification of same O.E.M.

(E) Following accessories to be supplied with the Surgical Workstation with same OEM only should be supplied as Standard Accessories Along with Automatic Smoke Evacuator unit.

1. Reusable hand pencil with Monopolar electrodes- **15N**
2. Reusable Thermo fusion hand instrument for open surgeries (for vasculatures up to 7mm)- **05Nos.**
3. Reusable thermo fusion hand instrument for Laparoscopic surgeries (for vasculatures up to (7mm)- **05Nos**
4. 5mm bowel shaped sealing and cutting hand instrument with maximum of 1.1 mm thermal spread- **5Nos.** Open & Lap
5. Footswitch with facility for swapping between programs- **2Nos.**
6. Reusable Bipolar forceps Straight & Bayonet with cables- **05 Nos.** Each
7. Patient plate with equipotential ring- **100 Nos.**
8. Argon assisted cutting instrument for open surgery and laparoscopic surgery- **2Nos** (each).
9. Water Jet accessories for Laparoscopy and open surgery- **2Nos** (Each)
10. Workstation trolley with attached suction unit from same OEM- **01No.**
11. Reusable Bipolar Scissor for open and Laparoscopic surgery with cable- **05Nos** (Each)
12. Laparoscopic Cable attachment for Minimal Invasive Instruments- **2Nos.**

13. Main filter cartridge IEW3- **01Qty**
14. Automatic Activation Device IES 3- **01Qty**
15. Prefilter for smoke evacuation- **05Qty**
16. Smoke evacuation pencil, single-use, short with coated spatula electrode, connecting cable 3 m- **10Qty**
17. Evacuation tubing, Ø22mm, length 2.1m (reusable)- **01Qty**
18. Evacuation tube with optimized streaming- **01Qty**
19. Evacuation funnel connection, Ø 22 mm- **01Qty**
20. Open & LAP tubing set IES 3 with trumpet valve 3m- **05Qty**
21. One-pedal foot switch for IES 2, AP x 8 equipment: with connecting cable 5 m, with connecting plug 7 pole

(F) Certification & Warranty

1. It should have BIS or US-FDA or European CE (from 4 digit notified bodies under directive: 93/72/EEC Medical Devices)
2. Against manufacturing defects should have their own repair centers in India.
3. Warranty period of 05 years and 05 years CAMC after satisfactory delivery.

FOLLOWING DOCUMENTS ARE REQUIRED TO BE UPLOADED FAILING WHICH THE BID WILL BE REJECTED

S. No	Clause	Details	Remarks
01	Make in India Content	Self-Declaration of Make In India component of 25% and above, if available upto value of 10Cr. In case for value in excess of 10Cr Class-I/Class-II local supplier, certificate from statutory auditor or chartered accountant is required giving the percentage of local content in prescribed format as per guidelines promulgated by GOI, Ministry of Chemicals & Fertilizers, Department of Pharmaceuticals vide policy no. F.No.31026/36/2016-MD dt 18 th May 2018.	The certificate should necessarily contain the following (i) Percentage of Indigenous content (ii) Details / Breakdown of Indigenous component (iii) Location at which local content is added /value addition is made.
02	OEM Authorization	Manufacturing Agency Agreement from OEM covering the warranty period and CAMC period	The OEM should give undertaking that they will provide after sales service (including spare parts) throughout the period of warranty and CAMC, <u>through the bidder or themselves</u>

- | | | | |
|----|--------------------------|---|--|
| 03 | Past Performance | The Bidder or its OEM {themselves or through re-seller (s)} will provide copy of supply orders showing that he has supplied same or similar Category products for 10 % (Qty-01) of bid quantity, in at least one of the last three Financial years or current year. | <p>The supply order should be (i) Either from Central/ State govt organisation /PSU/Public listed company or</p> <p>(ii) From Tertiary Care Centre or organization having 10 or more diagnostic labs .In this case bidder will also attach a performance certificate.</p> <p>Duly signed by the seller and the procuring organization.</p> |
| 04 | Turnover | <p>(i) OEM Turnover Certificate</p> <p>(ii) Bidder Turnover Certificate</p> | <p>Both the certificates should be signed by the CA</p> <p>The Turnover for the F.Y. 2022-23, 2023-24 and 2024-25 shall be given</p> |
| 05 | Experience criteria | To be submitted by OEM/reseller/ dealer | <p>The OEM/ reseller / dealer should have market presence for minimum 3 year. The OEM/bidder will submit at least one supply order (at least 3 year old from date of tender opening) of same or similar medical product placed in favour of the reseller / dealer.</p> |
| 06 | Bid Security Declaration | To be submitted by the bidder (OEM/reseller/dealer) | <p>The Bid Security declaration is to be prepared in original on Rs. 100/- Stamp Paper and the scanned copy of the same will be uploaded on the GeM Portal.</p> |
| 07 | Technical Evaluation | Product Demonstration | <p>Bidder should agree for Product demonstration at own cost at the time of technical evaluation, if requested by Technical Evaluation Committee.</p> |

08 Downtime Clause/LD Against Downtime

Serviceability of 95% per year is to be ensured. This amounts to total maximum downtime of 18 days per year. Also downtime should not exceed 05 days at one time. Required spares to attain this serviceability may be stored at site by the seller at his own cost. Total downtime would be calculated at the end of the year. If downtime exceeds permitted downtime, LD would be applicable for the delayed period.

09 MSE and Startup No Exemption for Years of Experience and Turnover

This being a procurement of highly sophisticated medical equipment related to patient care, no representation or consideration for exemption in this regard will be entertained.

The bidder is supposed to sign the Integrity Pact attached in the Buyer Added ATC and upload the same with the bid. The bid will not be entertained in absence of Integrity Pact, wherever applicable.

This bid will be governed by the provisions of Defence Procurement Manual-2025 (DPM-2025).

B. FOLLOWING DOCUMENTS ARE ALSO REQUIRED TO BE UPLOADED

- (i) **Undertaking** : Bidder to upload undertaking for Bidder Financial Standing stating bidder should not be under liquidations, court receivership or similar proceedings
- (ii) Clause by Clause compliance of technical specifications/QRs.
- (iii) Technical literature from OEM.
- (iv) Copy of PAN.
- (v) Copy of GSTIN.
- (vi) Copy of Cancelled Cheque.
- (vii) Copy of EFT mandate duly certified by bank.

C. PLEASE NOTE

(i) **Clarification / Representation**

(a) **IN CASE OF NORMAL BIDS**

The bid clarification date will be till 5 working days after publication of the Tender. No representations will be accepted after this date. Only representation received on GeM portal within 5 working

days of publication of tender will be considered. Representations received outside GeM, through e mail will not be considered.

(b) IN CASE OF CUSTOM BID

In case of custom bid if representation window is not available on GeM portal representations may be sent

through email (fmgt24.ce@nic.in).

Representations received at this office within 5 working days of publication of tender will be accepted. Any representation received after 5 working days, from date of publication of bid will not be considered by this office.

(ii) **Technical evaluation will be done by Technical Evaluation Committee**

NO REPRESENTATIONS FOR CHANGES IN THE COMPOSITION/DATE/VENUE OF THE TECHNICAL EVALUATION COMMITTEE AND CONDITIONS OF PRODUCT DEMONSTRATION WILL BE ACCEPTED. TIME ALLOWED FOR TECHNICAL CLARIFICATIONS DURING THE TECHNICAL EVALUATION IS 02 DAYS .

(iii). **CAMC**

Equipment will be deemed to be on continuous CAMC even if CAMC papers have not been signed. Onus will be on vendor to get the stamp paper signed by Commandant/ CO of Hospital and ensure maintenance of eqpt.

NOTE

1. As per GeM Bid, terms and conditions, Past Performance has to be determined on basis of supply order of Central/ State Govt Organization/ PSU/ Public listed company.

2. Bidders not having these orders may also furnish supply order of same/ similar category of product supplied to Tertiary Care Centre run by charitable / Registered society or organization having 10 or more diagnostic labs. (Draft performance certificate has been attached which must be signed by the seller and procuring tertiary care center/lab and uploaded along with bid documents, as proof of supply .

DRAFT PERFORMANCE CERTIFICATE

1. Reference: - DGAFMS tender No_____ dated_____.

2. Subject: - Performance Certificate for (name of item).

3. Issuing Department/Organization:-

4. Nature of Organization(PI tick whichever is applicable):-

1. Tertiary Care Centres
2. Unit run by Pvt Company
3. Trust or Society
4. Diagnostic Lab

1. Additional details:-

- (a) Name of product
- (b) No. and date of supply order through which the product was procured (bidder has to submit copy of SO and QR's with the bid)
- (c) Quantity Procured
- (d) Date of supply or installation or commissioning whichever is later
- (e) Has the product performed satisfactorily? YES/NO
- (f) Has the after sales support been satisfactory? YES/NO

Confirmation by Specialist/MS

I as specialist/MS have used the above mentioned product for more than 3 months and I am generally satisfied with the performance of the product.

Signatures _____

Name: _____

Specialization: _____

Only in case of non-government entity issuing the certificate

I hereby certify that (Name of organization/Society/Trust etc.) is a Tertiary Care Centre located at (address) and having (no. of beds)

OR

I hereby certify that (name of organisation) is a firm/trust/society/company having the head office at (address) and having more than 10 diagnostic labs.

BID SECURITY DECLARATION

Date: GeM BiD ID :

1. I/We M/s _____ hereby undertake to submit Bid Security Declaration accepting that I/We shall abide with the terms and conditions of the bid published on GeM portal.

2. I/We M/s _____ understand that necessary punitive action may be initiated against our firm including banning from DGAFMS tenders for a period of upto 03 (three) years if I/We or my/our representative in any of the following bid conditions :-

(a) Withdraw /Modify/Amend/impairs or derogates from tender. My/our bid during the peri

od of validity of bid.

(b) I/We fail/refuse to sign the contract in case the contract is awarded.

(c) Fail/refuse to submit a Performance Security before the deadline defined in the request for bids document in accordance to tender terms.

(d) In case any document submitted by the firm is found to be fraud or fraudulent or intentionally defaced.

(e) In case Cartel formation/pool rates is found in the tender.

(f) Try to influence outcome of tender.

(g) Failure to disclose/ misinform information sought regarding tender at any time during the tendering/CNC/PNC prior to placing a Contract/SO.

3. I/We understand that Bid Security declaration shall cease to be valid if I am/We are not the successful bidder, upon the earlier of (i) the receipt of your notification of the name of successful bidder (ii) thirty days after the expiration of the validity of my/our bid.

(Signature of Authorized Rep of OEM)

Name :

Designation in the firm :

Email Id :

Mobile No :

Note : The above declaration is to be prepared in original on Rs. 100/- Stamp Paper and the scanned copy of the same will be uploaded on the GeM Portal.

DETAILS OF MAKE IN INDIA (MII) CONTENT BREAKDOWN

(SAMPLE)

SER	Equipment Parts	Percentage of Local Content value wise	Address of value addition/ factory
01	Name of Component 1 eg. Puff Panel	3%	Pune
02	Name of Component 2 HVAC sys	2%	Lucknow
03	Name of Component 3 UPS	5%	Delhi

	Name of Component 4		
04	Printer	7%	Delhi
	Name of Component 5		
05	Man Power	6%	Haryana
	Total	23%	

* Firms are requested to provide Make in India Compliance with detailed breakdown of indigenous contents in % with value wise and location of that product being manufactured of the offered products as given in above format.

* Self-Declaration of Make in India component of 25% and above, if available upto value 10 Cr. In case of bid value of less than 10 Cr. Self-declaration certificate of breakdown of make in india (MII) of > 25% value will be acceptable. However, in case of bid value more than 10 Cr Class-I/ Class-II local supplier, certificate from statutory auditor or chartered accountant is required declaring the percentage of local content.

CERTIFICATE OF TURNOVER

(OEM/ BIDDER)

This is to certify that Ms (**Firm Name**) having its registered office at (**Office Address**), is in the business of manufacturing of various equipment's including (**Product Name**). Their turnover and profit in each financial year during the preceding 03 (three) years are as given below: -

Financial Year	Gross Total Turnover	Profit (in Rs)
2022-23 (Audited)		
2023-24 (Audited)		
2024-25 (Audited)		
Average annual turnover of the bidder/OEM for 3 years		

This is further to certify that the above turnover is in line with the turnover declared by the Agency in their Income Tax Return filed under PAN NO _____.

(Sign of Chartered Accountants)

* UDIN No _____

* Certificate to be furnished on the letter head of Chartered Accountant.

* The value of “ Minimum Average Annual Turnover” of the bidder/OEM for previous three FY is mentioned on the first page of the bid documents.

25. Buyer Added Bid Specific ATC

Buyer uploaded ATC document [Click here to view the file.](#)

अस्वीकरण/**Disclaimer**

The additional terms and conditions have been incorporated by the Buyer after approval of the Competent Authority in Buyer Organization, whereby Buyer organization is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any eccentricity / restriction arising in the bidding process due to these ATCs and due to modification of technical specifications and / or terms and conditions governing the bid. If any clause(s) is / are incorporated by the Buyer regarding following, the bid and resultant contracts shall be treated as null and void and such bids may be cancelled by GeM at any stage of bidding process without any notice:-

1. Definition of Class I and Class II suppliers in the bid not in line with the extant Order / Office Memorandum issued by DPIIT in this regard.
2. Seeking EMD submission from bidder(s), including via Additional Terms & Conditions, in contravention to exemption provided to such sellers under GeM GTC.
3. Publishing Custom / BOQ bids for items for which regular GeM categories are available without any Category item bunched with it.
4. Creating BoQ bid for single item.
5. Mentioning specific Brand or Make or Model or Manufacturer or Dealer name.
6. Mandating submission of documents in physical form as a pre-requisite to qualify bidders.
7. Floating / creation of work contracts as Custom Bids in Services.
8. Seeking sample with bid or approval of samples during bid evaluation process. (However, in bids for [attached categories](#), trials are allowed as per approved procurement policy of the buyer nodal Ministries)
9. Mandating foreign / international certifications even in case of existence of Indian Standards without specifying equivalent Indian Certification / standards.
10. Seeking experience from specific organization / department / institute only or from foreign / export experience.
11. Creating bid for items from irrelevant categories.

12. Incorporating any clause against the MSME policy and Preference to Make in India Policy.
13. Reference of conditions published on any external site or reference to external documents/clauses.
14. Asking for any Tender fee / Bid Participation fee / Auction fee in case of Bids / Forward Auction, as the case may be.
15. Buyer added ATC Clauses which are in contravention of clauses defined by buyer in system generated bid template as indicated above in the Bid Details section, EMD Detail, ePBG Detail and MII and MSE Purchase Preference sections of the bid, unless otherwise allowed by GeM GTC.
16. In a category based bid, adding additional items, through buyer added additional scope of work/ additional terms and conditions/or any other document. If buyer needs more items along with the main item, the same must be added through bunching category based items or by bunching custom catalogs or bunching a BoQ with the main category based item, the same must not be done through ATC or Scope of Work.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller within 4 days of bid publication on GeM. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

Additional Clause For Comprehensive Maintenance Charges

1.CMC shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares, after satisfactory completion of Warranty. During the CMC period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer's technical/ service /operational manual, at least once in six months or as per user requirement. Cost of consumables shall not be included in CMC. Further there will be 98% uptime warranty during CMC period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend CMC period by double the downtime period.

2.CMC charges to be indicated as percentage of cost of equipment quoted for each year after the warranty period.

3.GST shall be included in the CMC Charges quoted.

4.Cost of CMC will be added for Ranking/Evaluation purpose with depreciation formula.A 10% discounting rate per year shall be applied on CMC Charges for price evaluation on Net Present Value.

5.The payment of CMC will be made on quarterly basis after satisfactory completion of said period, duly certified by end user.

6.While creating a bid or RA, buyers shall indicate whether CMC is required against Yes/No" options. If CMC Charges are included, an option for number of years for CMC required after the warranty period shall be available.Under this option up to 15 years can be chosen for CMC charges beyond warranty period.

7.In case the bid has a provision for CMC, the warranty of the product will also be deemed to have been converted into Comprehensive warranty including preventive maintenance and calibration as per technical/ service /operational manual of the manufacturer, service charges and spares, during the Warranty Period also. Sellers are therefore advised to include the cost of Comprehensive Warranty including spares (excluding consumables) also in product Cost.

8.The CMC functionality shall be available in bid only and no direct RA shall be applicable.In case of bid to R/A decrement rules shall be applicable on total price inclusive of CMC charges. Bunching of products shall not be available while creating bids with CMC charges.

8.1.Buyer shall indicate number of years of warranty by selecting different options available in the field depending on warranty parameter applicable in category parameters for the equipment. No. of years of warranty indicated here shall supersede the warranty period indicated elsewhere in bid or product specifications. The Seller while participating in Bid/RA will get fields to indicate CMC charges as percentage depending on number of years of CMC selected by Buyer. The following shall be applicable, if 5 year CMC selected:

- CMC charges for 1st year after warranty period- Percentage to be indicated- A1
- CMC charges for 2nd year after warranty period- Percentage to be indicated- A2
- CMC charges for 3rd year after warranty period - Percentage to be indicated- A3
- CMC charges for 4th year after warranty period - Percentage to be indicated- A4
- CMC charges for 5th year after warranty period - Percentage to be indicated- A5

Similarly, A6 to A15 are to be indicated for 6th to 15th year of CMC if applicable.

8.2.The calculation of CMC Charges shall take into account the number of years of warranty and duration of CMC as specified while creating bid.

8.3. In the price evaluation, the system shall provide function to calculate the cost of each equipment by formula indicated below including CMC and then show the inter-se-ranking of the bidders. The following are the variables

- (i) Number of years for which CMC required.
- (ii) Number of years of product warranty

The formula for calculating total cost including CMC charges shall be as under:

Total Cost for evaluation =

$C + C * \{ (A1/100)/(1.10^n) + (A2/100)/(1.10^{n+1}) + (A3/100)/(1.10^{n+2}) + (A4/100)/(1.10^{n+3}) + (A5/100)/(1.10^{n+4}) \}$ and so on

C - Cost for equipment quoted and n shall be number of years of product warranty specified.

If 2 year warranty specified, n shall be 2 and if 5 year warranty specified, n shall be 5. A1, A2, A3, A4 & A5 shall depend on how many years CMC selected. For 3 year CMC, only A1, A2 and A3 factors are to be taken into account and A4 and A5 will not be applicable.

8.4. CMC charges offered for each subsequent year should be same or higher than preceding year.

8.5. The CMC charges shall be offered within range of 3 to up to 50% of cost of equipment as defined by buyer.

9. Since CMC charges are to be paid only later for each year during CMC period, applicable performance guarantee amount after placement of contract shall be based on the cost of equipment excluding the cost of CMC Charges.

10. Performance bank guarantee applicable for CMC is to be submitted at start of the CMC and shall be applicable between 2.5% to 10% as specified in bid on total CMC Charges. The PBG submitted after award of contract shall be released only after new PBG for the CMC period is submitted and accepted by buyer/consignee after due verification. Bank guarantee for CMC is to remain valid till completion of CMC period plus one year. The bank guarantee for CMC shall be submitted to buyer directly. In case, seller fails to submit the PBG or does not provide services for the CMC contract after expiry of warranty period then PBG of equipment shall be forfeited.

11. In case of splitting of order quantity, equipment cost and CMC charges offered by L1 bidder shall be matched by higher quoting eligible bidders on one-to-one basis. The equipment cost and CMC charges (year to year) shall be matched individually.

12. The CMC Contract shall be an offline contract to be handled by buyer. The payment of CMC will be made on quarterly basis after satisfactory completion of said period, duly certified by end user and scope of CMC will be as per para 1 above.

13. CMC Charges are inclusive of all the charges for Transportation, Lodging, Boarding, all insurances including third party insurance and all other incidental charges. The same shall include GST. The prices also include cost of spares and damaged parts. Purchaser does not have any liability, whatsoever, over and above the cost of CMC. It also includes for arranging hand tools & tackles, special tools etc. required to carry out the work.

All GeM Sellers/Service Providers shall ensure full compliance with all applicable labour laws, including the provisions, rules, schemes and guidelines under the four Labour Codes i.e. the Code on Wages, 2019; the Industrial Relations Code, 2020; the Occupational Safety, Health and Working Conditions Code, 2020; and the Code on Social Security, 2020 as and when notified and brought into force by the Government of India.

For all provisions of the Labour Codes that are pending operationalisation through rules, schemes or notifications, the corresponding provisions of the pre-existing labour enactments (such as The Minimum Wages Act, 1948, The Payment of Wages Act, 1936, The Payment of Bonus Act, 1965, The Equal Remuneration Act, 1976, The Payment of Gratuity Act, 1972, etc. and relevant State Rules) shall continue to remain applicable.

The Seller/ Service Providers shall, therefore, be responsible for ensuring compliance under:

- **All notified and enforceable provisions of the new Labour Codes as mentioned hereinabove; and**
- **All operative provisions of the erstwhile Labour Laws until their complete substitution.**

All obligations relating to wages, social security, safety, working conditions, industrial relations etc. and any other statutory requirements shall be strictly met by the Seller/ Service Provider. Any non-compliance shall constitute a breach of the contract and shall entitle the Buyer to take appropriate action in accordance with the contract and applicable law.
