1. The minimum average annual financial turnover of the bidder during the last three years, ending on 31st March of the previous financial year, should be as indicated above in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the bidder is less than 3-year-old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.

2. Experience Criteria: In respect of the filter applied for experience criteria, the Bidder or its OEM of the product offered in the bid {themselves or through reseller(s)} should have regularly, manufactured and supplied same or similar Category Products to any Central / State Govt Organization / PSU for number of Financial years as indicated above in the bid document before the bid opening date. Copies of relevant contracts and delivery acceptance certificates like CRAC to be submitted along with bid in support of having supplied some quantity during each of the Financial year. In case of bunch bids, the category of primary product having highest value should meet this criterion.

3. OEM Turn Over Criteria: The minimum average annual financial turnover of the OEM of the offered product during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the OEM is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.

4. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc.

This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of quoted prices which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.

5. Past Performance: The Bidder or its OEM {themselves or through re-seller(s)} should have supplied same or similar Category Products for 50% of bid quantity, in at least one of the last three Financial years before the bid opening date to any Central / State Govt Organization / PSU. Copies of relevant contracts (proving supply of cumulative order quantity in any one financial year) to be submitted along with bid in support of quantity supplied in the relevant Financial year. In case of bunch bids, the category related to primary product having highest bid value should meet this criterion.

6. Reverse Auction would be conducted amongst first 50% of the technically qualified bidders arranged in the order of prices from lowest to highest. Number of sellers eligible for participating in RA would be rounded off to next higher integer value if number of technically qualified bidders is odd (e.g. if 7 bids are technically qualified, then RA will be conducted amongst L-1 to L-4). In case number of technically qualified bidders are 2 or 3, RA will be between all without any elimination. If Buyer has chosen to split the bid amongst N sellers, then minimum N sellers would be taken to RA round. In case Primary products of only one OEM are left in contention for participation in RA based on lowest 50% bidders qualifying for RA, the number of sellers qualifying for RA would be increased to get at least products of one more OEM (directly participated or through its reseller) if available. Further, if bid(s) of any seller(s) eligible for MSE preference is / are coming within price band of 15% of Non MSE L-1 or if bid of any seller(s) eligible for Make in India preference is / are coming within price band of 20% of non MII L-1, then such MSE / Make in India seller shall also be allowed to participate in the RA process.

#### **Additional Specification Parameters - Nutrient Supplement For Soil Fertility And Soil Health (Sericulture Use Only) (V2) ( 5000 packet )**

<b>Specification Parameter Name</b>	<b>Bid Requirement (Allowed Values)</b>
The supply shall consist of premium quality, destoned cocopeat blocks with protective laminated outer packing, suitable for horticultural and agricultural use.	Each block must have uniform dimensions of 30 cm x 30 cm x 12 cm (+/- 2%). AND The moisture content of the blocks at the time of supply shall be between 15% to 17%.

Specification Parameter Name	Bid Requirement (Allowed Values)
The cocopeat material should be processed using a 6 mm sieve mesh to ensure uniform particle size and removal of large debris.	Blocks should be compressed at a minimum 5:1 ratio, ensuring ease of transportation and efficient volume utilization.
Upon hydration, each block must yield a minimum of 65 litres to 70 litres of cocopeat substrate. AND The pH of the cocopeat after expansion should range between 5.5 to 7.00, making it ideal for most plant types.	Each block must be individually laminated with durable polyethylene or equivalent material, ensuring protection from moisture, contamination, and physical damage during transit and storage.
The material must be 100% stoned, free from harmful contaminants, stones, or hard particles. Quality to be verified by visual inspection and random sampling.	Blocks should be neatly laminated and labelled with the manufacturer's name, product weight, volume, batch number, and date of manufacture.
Supplier must ensure the product complies with all applicable agricultural media standards. Test reports from an NABL-accredited lab may be requested post-supply.	The blocks should be delivered in a dry condition, with proper stacking, without any deformation or damage during transportation.

\* Bidders offering must also comply with the additional specification parameters mentioned above.
