1. The minimum average annual financial turnover of the bidder during the last three years, ending on 31st March of the previous financial year, should be as indicated above in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the bidder is less than 3-year-old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.
2. Experience Criteria: In respect of the filter applied for experience criteria, the Bidder or its OEM of the product offered in the bid {themselves or through reseller(s)} should have regularly, manufactured and supplied same or similar Category Products to any Central / State Govt Organization / PSU for number of Financial years as indicated above in the bid document before the bid opening date. Copies of relevant contracts and delivery acceptance certificates like CRAC to be submitted along with bid in support of having supplied some quantity during each of the Financial year. In case of bunch bids, the category of primary product having highest value should meet this criterion.
3. OEM Turn Over Criteria: The minimum average annual financial turnover of the OEM of the offered product during the last three years, ending on 31st March of the previous financial year, should be as indicated in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating the turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the OEM is less than 3 year old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.
4. Past Performance: The Bidder or its OEM {themselves or through re-seller(s)} should have supplied same or similar Category Products for 50% of bid quantity, in at least one of the last three Financial years before the bid opening date to any Central / State Govt Organization / PSU. Copies of relevant contracts (proving supply of cumulative order quantity in any one financial year) to be submitted along with bid in support of quantity supplied in the relevant Financial year. In case of bunch bids, the category related to primary product having highest bid value should meet this criterion.

Potable Water Purification System DE - Ionization Based (1 pieces)

तकनीकी विशिष्टियाँ / Technical Specifications

* जेम कैटेगरी विशिष्टि के अनुसार / As per GeM Category Specification

विवरण/Specification	विशिष्टि का नाम /Specification Name	बिड के लिए आवश्यक अनुमत मूल्य /Bid Requirement (Allowed Values)
Standards	Certification for the product	CE
Performance Parameters	Maximum Input Water TDS allow to the system	up to 1500
	Ultraviolet (UV) LAMP	Yes
	Conformity to Standard for Ultraviolet system	IS 14724 (latest) for water purification system with Ultraviolet disinfection
	Electro de-ion Module	Micro(For 10 LPH)
	Reference voltage for Electro dine Module)	9 v
	Total Dissolved Solids Removal Percentage	90%
	Recovery at 27 degree Centigrade	60-70
	Out put water generation capacity in litre/ hour	10
	Provision of Arsenic removal	Yes
	Provision of Floride removal	Yes
	Provision of Chloride removal	Yes
	Hardness removal	Yes
	Digiflow meter	Yes
	Raw water feeding pump	Yes
	Micron Filter	Yes
	Pre filter housing	Yes
	Type of pre filter	Spun wound
	Pre filter size	10 inch
	Particulate filter porosity	5 micron
	Storage tank	External
	Storage tank material	HDPE
	Storage Tank Capacity in L	50

Special terms and conditions-Version:2 effective from 25-05-2021 for category Potable Water Purification System DE - Ionization Based

1. 1. Comprehensive warranty:

Comprehensive warranty shall include preventive maintenance including calibration as per technical/ service /operational manual of the manufacturer, service charges and spares,. During the warranty period commencing from date of the successful completion of warranty period, Service personnel shall visit each consignee site as recommended in the manufacturer*]'^s technical/ service /operational manual, at least once in six months. warranty shall not be including the consumables .Further there will be 98% uptime warranty during warranty period on 24 (hrs) X 7 (days) X 365 (days) basis, with penalty, to extend warranty period by double the downtime period.

2. Service centres:

Details of Service outlets in India to render services for equipment to be furnished to buyer/consignees with complete address ,telephone numbers, e mails etc at time of making the supplies .It shall be the responsibility of seller to ensure that authorized service centres are available to cater to the areas where supplies are made within reasonable distance from where the service calls can be handled .Details of toll free numbers for service call and online registration of service requests also to be provided buyer/consignee at the time of supplies.

3. Source of supply:

It shall be responsibility of seller to provide Documents regarding source of equipments such as copy of Performa invoice or any other documents to establish that the products supplied are manufactured by OEM indicated and sourced from them .

4. Packing and Marking: Medical equipments being very delicate and sensitive packing for the goods should be strong and durable enough to withstand transit including transshipment (if any), rough handling, open storage etc. without any damage, deterioration etc. .The size, weights and volumes of the packing cases, remoteness of the final destination of the goods, availability or otherwise of transport and handling facilities at all points during transit up to final destination,. Quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall take in to consideration the type of medical equipments being supplied. The accessories shall be suitably labelled and packed .Each of the package shall be marked on three sides with indelible paint of proper quality: indicating contract number and date , brief description of goods including quantity ,. Packing list reference number , country of origin of goods and any other relevant details.

5. Spare Parts:

Seller shall provide materials, information etc. pertaining to spare parts manufactured and supplied by the OEM . It shall be ensured that the required spares are available for purchase at least for 10 years from date of supplies .In case due to any reasons the production of the spare parts is discontinued sufficient advance notice should be given to the buyer/consignee before such discontinuation to provide adequate time to purchase the required spare parts etc. Further, OEM and their service centres/dealers shall carry sufficient inventories to assure ex-stock supply of consumables and spares for the equipments so that the same are available.

OEM or reseller shall always accord most favoured client status to the buyer/consignee and shall give the most competitive price for spares and consumables of its machines/equipments supplied

6. Installation, Training, Manuals:

Seller shall be responsible to carry out Installation & commissioning, Supervision and Demonstration of the goods. They shall provide required jigs and tools for assembly, minor civil works for the completion of the installation and Training of Consignee*]'^s representatives for operating and maintaining the equipment and Supplying required number of operation & maintenance manual for the goods. In case the category parameters are specifying any requirements regarding the installations , training and manuals the same shall also be applicable.

7. Electrical safety checking:

Sellers are required to make sure that they furnish the list of equipments for carrying out routine and preventive maintenance to buyer/consignee. They should make sure to periodically check the electrical

safety aspects as per BIS Safety Standards or equivalent. In case they do not have required equipment for such testing should ensure that the equipments checked for electrical safety compliance through labs with facilities for such checking during every preventive maintenance call.

8. Software:

All software updates should be provided free of cost during warranty period.

क्रेता द्वारा जोड़ी गई बिड की विशेष शर्तें/Buyer Added Bid Specific Terms and Conditions

1. Generic

OPTION CLAUSE: The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity up to 25% of the contracted quantity during the currency of the contract at the contracted rates. The delivery period of quantity shall commence from the last date of original delivery order and in cases where option clause is exercised during the extended delivery period the additional time shall commence from the last date of extended delivery period. The additional delivery time shall be $(\text{Increased quantity} \div \text{Original quantity}) \times \text{Original delivery period (in days)}$, subject to minimum of 30 days. If the original delivery period is less than 30 days, the additional time equals the original delivery period. The Purchaser may extend this calculated delivery duration up to the original delivery period while exercising the option clause. Bidders must comply with these terms.

2. Buyer Added Bid Specific ATC

Ref. No: NPDD Scheme/QC/2020
.01.2026

Date: 21

Ultrapure Water Solution Milli-Q® SQ 200P

Water purification system -Pure(type2-EDI) and Ultra pure (type1).

- 1) Feed water connect with prefiltration unit of micron filter.
- 2) Feed water quality should accepts up to 2000 micro Siemens conductivity.
- 3) Type 2 grade water- **1 numbers**
- 4) Type 1 (Ultrapure water) - **1 numbers** (Separate) .

Detail Specification of Type 1 & Type 2 system

- 1) Should provide separate water system to produce type 2 and ultrapure water .
- 2) The system should produce 5ltr/hr type 2 grade water.
- 3) Type 2 should best and alone system.

- 4) Conductivity meter present just before and after RO to measure the performance of the RO system. (just prior & after RO conductivity meter should present)
- 5) Mixed bed ion Electro deionisation module (EDI) with auto regeneration by a weak electric current should present in the system.
- 6) Carbon beads at cathode of the EDI module should present to prevent scaling of the module.
- 7) If any Conditioner/Polishing cartridge prior to EDI module to protect EDI is included in type 2 grade system, they should quote 20 numbers of such cartridge along with main quotation & that should supply along with water system. If the vendor quoting Conditioner/Polishing cartridge based system, catalogue number should mention in technical bid as per the brochure & same should supply along with the system.
- 8) 50Liter PE tank should quote.
- 9) Recovery Loop present in the Type 2 grade water to save water

Type 2 Product Water Specifications

Resistivity :> 5 Meg Ohm.cm (typically 10-15)

TOC :< 30 ppb

Ultra Pure (Type1)water purification system-product quality.(2 Numbers)

1. Type 1 system should be compact benchtop configuration.
2. Option of different point of use filters mentioned below for different applications needs to be available. (LC-Pack, Bio-Pack, VOC-Pack etc.)
3. This all-in-one configuration gives you flexibility to position the dispenser wherever is convenient for your lab.
4. System should have the options to manage at least 3 different flows (High, Mid, Low) based on the requirements
5. It should have the provision for hands free dispensing to reduce the risk of contamination through hands or human intervention
6. Water is purified to a resistivity of 18.2 MΩ.cm at 25°C and TOC ≤ 5 ppb. During dispense, water is sent through recirculation loop.
7. Oxidation UV lamp
8. Lifetime of the Oxidation UV lamp: up to 7 years
9. Remote dispenser: YES (ergonomic manual handset dispenser)
10. Manual dispenser hose pipe length: 70 cm
11. Resistivity indicator: Color-coded LED (orange/green)
12. Method to replace the ion exchanger resin cartridge: Twist & Lock mechanism with color coded instructions.

-

Product type 1 Water Specifications

Ultrapure, Type 1 water specifications1

Resistivity 18.2 MΩ·cm at 25 °C

Conductivity 0.055 μS/cm at 25 °C

TOC ≤ 5 ppb

Particles³ No particles with size > 0.22 μm

Bacteria < 0.01 cfu/mL

Pyrogens (endotoxins) < 0.001 EU/mL

RNases < 1 pg/mL

DNases⁶ < 5 pg/mL

Proteases < 0.15 μg/mL

Flow rate Up to 1.6 L/min

Warranty & Service

∅ Minimum of 3 Years

Payment Terms

∅ 80% of the total contract value shall be released after successful supply, installation, testing, and commissioning of the Purification system at site and submission of all required documents.

∅ The balance 20% payment shall be released after completion of 3 (three) months from the date of successful commissioning, subject to satisfactory performance of the equipment during the performance observation period. Performance shall be certified by the User Department / Quality Control Section.

Performance Guarantee / Observation Period

- ∅ The equipment shall function satisfactorily during the 3-month performance observation period without major breakdowns.
- ∅ Final acceptance of the equipment shall be subject to: Meeting all technical specifications Successful completion of performance observation period
- ∅ Any defects, malfunctions, or performance issues observed during this period shall be rectified by the supplier at no additional cost.

Documentation & Invoicing

- ∅ Supplier shall submit the following documents along with the invoice:
- ∅ Installation & commissioning report, Performance certificate, Warranty certificate

e, Calibration certificate, User manual

Ø Invoices shall be submitted in Triplicate (3 copies): Original, Duplicate, Triplicate duly signed and stamped

Warranty & Service Commitment

Ø The system shall be covered under minimum 3 years comprehensive warranty from the date of commissioning.

Ø Warranty shall include: All parts, Labour, On-site service visits

Ø Response time for service calls shall be within 48 hours.

Training

Ø The supplier shall provide on-site user training to QC laboratory personnel at the time of installation.

Ø Training shall cover: Operation, Routine maintenance, Data handling, Basic troubleshooting

Acceptance Clause

Ø Final acceptance of the equipment shall be subject to: Meeting all technical specifications Successful completion of performance observation period Certification by the competent authority of the department.

Statutory Compliance

Ø The supplier shall comply with all applicable statutory, safety, and electrical regulations. The equipment supplied shall be new, unused, and of latest manufacture.

Jurisdiction

Ø Any dispute arising out of the tender shall be subject to the jurisdiction of Tamil Nadu courts only.

TERMS AND CONDITIONS

The bill / EMD should be addressed to the following:

THE GENERAL MANAGER

ERODE DISTRICT CO-OPERATIVE MILK PRODUCERS' UNION LIMITED,

VASAVI COLLEGE (PO), ERODE-638316

The EMD should be issue in the mode of DD the above-mentioned address.

1. The bidder should be the manufacturer or authorized dealer of the manufacturer. Copy of the authorization/dealership certificate with tender reference no. should be enclosed along with the bid. Bids without authorization will summarily be rejected

2. The bidder/manufacturer should have a minimum of 5 years of experience in

the supply of similar products, proof for the same should be attached

3. The bidder/manufacturer should submit previous purchase order copies of similar Equipment from the clients, preferably govt. institutes and other government departments etc to prove installation base
4. The bidder should submit documents to prove the performance/successful installations of the previous supply.
5. The bidder/manufacturer (whose instruments are being offered), should have a full-fledged service set-up in Tamil Nadu for maintenance of the supplied instruments through an annual maintenance contract. The detailed address should be produced with the technical bid and proof should be attached.
6. The manufacturer/supplier should have ISO 9001 certification or equivalent.
7. The supplied instruments should be installed in the dedicated space allotted in the laboratory by the supplier.

AGM (QA)

3. Buyer Added Bid Specific ATC

Buyer uploaded ATC document [Click here to view the file.](#)

अस्वीकरण/Disclaimer

The additional terms and conditions have been incorporated by the Buyer after approval of the Competent Authority in Buyer Organization, whereby Buyer organization is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any eccentricity / restriction arising in the bidding process due to these ATCs and due to modification of technical specifications and / or terms and conditions governing the bid. If any clause(s) is / are incorporated by the Buyer regarding following, the bid and resultant contracts shall be treated as null and void and such bids may be cancelled by GeM at any stage of bidding process without any notice:-

1. Definition of Class I and Class II suppliers in the bid not in line with the extant Order / Office Memorandum issued by DPIIT in this regard.
2. Seeking EMD submission from bidder(s), including via Additional Terms & Conditions, in contravention to exemption provided to such sellers under GeM GTC.
3. Publishing Custom / BOQ bids for items for which regular GeM categories are available without any Category item bunched with it.
4. Creating BoQ bid for single item.
5. Mentioning specific Brand or Make or Model or Manufacturer or Dealer name.
6. Mandating submission of documents in physical form as a pre-requisite to qualify bidders.
7. Floating / creation of work contracts as Custom Bids in Services.
8. Seeking sample with bid or approval of samples during bid evaluation process. (However, in bids for [attached categories](#), trials are allowed as per approved procurement policy of the buyer nodal Ministries)
9. Mandating foreign / international certifications even in case of existence of Indian Standards without specifying equivalent Indian Certification / standards.
10. Seeking experience from specific organization / department / institute only or from foreign / export experience.
11. Creating bid for items from irrelevant categories.
12. Incorporating any clause against the MSME policy and Preference to Make in India Policy.

13. Reference of conditions published on any external site or reference to external documents/clauses.
14. Asking for any Tender fee / Bid Participation fee / Auction fee in case of Bids / Forward Auction, as the case may be.
15. Buyer added ATC Clauses which are in contravention of clauses defined by buyer in system generated bid template as indicated above in the Bid Details section, EMD Detail, ePBG Detail and MII and MSE Purchase Preference sections of the bid, unless otherwise allowed by GeM GTC.
16. In a category based bid, adding additional items, through buyer added additional scope of work/ additional terms and conditions/or any other document. If buyer needs more items along with the main item, the same must be added through bunching category based items or by bunching custom catalogs or bunching a BoQ with the main category based item, the same must not be done through ATC or Scope of Work.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller within 4 days of bid publication on GeM. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

All GeM Sellers/Service Providers shall ensure full compliance with all applicable labour laws, including the provisions, rules, schemes and guidelines under the four Labour Codes i.e. the Code on Wages, 2019; the Industrial Relations Code, 2020; the Occupational Safety, Health and Working Conditions Code, 2020; and the Code on Social Security, 2020 as and when notified and brought into force by the Government of India.

For all provisions of the Labour Codes that are pending operationalisation through rules, schemes or notifications, the corresponding provisions of the pre-existing labour enactments (such as The Minimum Wages Act, 1948, The Payment of Wages Act, 1936, The Payment of Bonus Act, 1965, The Equal Remuneration Act, 1976, The Payment of Gratuity Act, 1972, etc. and relevant State Rules) shall continue to remain applicable.

The Seller/ Service Providers shall, therefore, be responsible for ensuring compliance under:

- **All notified and enforceable provisions of the new Labour Codes as mentioned hereinabove; and**
- **All operative provisions of the erstwhile Labour Laws until their complete substitution.**

All obligations relating to wages, social security, safety, working conditions, industrial relations etc. and any other statutory requirements shall be strictly met by the Seller/ Service Provider. Any non-compliance shall constitute a breach of the contract and shall entitle the Buyer to take appropriate action in accordance with the contract and applicable law.

[यह बिड सामान्य शर्तों के अंतर्गत भी शासित है /This Bid is also governed by the General Terms and Conditions](#)

जेम की सामान्य शर्तों के खंड 26 के संदर्भ में भारत के साथ भूमि सीमा साझा करने वाले देश के बिडर से खरीद पर प्रतिबंध के संबंध में भारत के साथ भूमि सीमा साझा करने वाले देश का कोई भी बिडर इस निविदा में बिड देने के लिए तभी पात्र होगा जब वह बिड देने वाला सक्षम प्राधिकारी के पास पंजीकृत हो। बिड में भाग लेते समय बिडर को इसका अनुपालन करना होगा और कोई भी गलत घोषणा किए जाने व इसका अनुपालन न करने पर अनुबंध को तत्काल समाप्त करने और कानून के अनुसार आगे की कानूनी कार्रवाई का आधार होगा।/In terms of GeM GTC clause 26 regarding Restrictions on procurement from a bidder of a country which shares a land border with India, any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. While participating in bid, Bidder has to undertake compliance of this and any false declaration and non-compliance of this would be a ground for immediate termination of the contract and further legal action in accordance with the laws.

---धन्यवाद/Thank You---
