1. Experience Criteria: In respect of the filter applied for experience criteria, the Bidder or its OEM of the product offered in the bid {themselves or through reseller(s)} should have regularly, manufactured and supplied same or similar Category Products to any Central / State Govt Organization / PSU for number of Financial years as indicated above in the bid document before the bid opening date. Copies of relevant contracts and delivery acceptance certificates like CRAC to be submitted along with bid in support of having supplied some quantity during each of the Financial year. In case of bunch bids, the category of primary product having highest value should meet this criterion.

2. Bid reserved for Make In India products: : Procurement under this bid is reserved for purchase from Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. However, eligible micro and small enterprises will be allowed to participate. The minimum local content to qualify as a class 1 local supplier is denoted in the bid document. All bidders must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which the bid is liable to be rejected. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020 . In case Buyer has selected Purchase preference to Micro and Small Enterprises clause in the bid, the same will get precedence over this clause.

3. Purchase preference will be given to MSEs having valid Udyam Registration and whose credentials are validated online through Udyam Registration portal as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and

its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail themselves of the Purchase preference, the bidder must be the manufacturer / OEM of the offered product on GeM. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises and hence resellers offering products manufactured by some other OEM are not eligible for any purchase preference. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service and Buyer will decide eligibility for purchase preference based on documentary evidence submitted, while evaluating the bid. If L-1 is not an MSE and MSE Seller (s) has / have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such MSE Seller shall be given opportunity to match L-1 price and contract will be awarded for 25% (selected by Buyer) percentage of total quantity. The buyers are advised to refer the OM No. F.1/4/2021-PPD dated 18.05.2023 [OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if seller is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.

4. Inspection of Stores by Nominated Inspection Authority / Agency of buyer or their authorized representatives

An independent third party Professional Inspection Body can help buyer in mitigating buyer's risk with pre-dispatch/post-dispatch inspection in order to ensure that equipment, components, solutions and documentation conform to contractual requirements. The buyer has a right to inspect goods in reasonable manner and within reasonable time at any reasonable place as indicated in contract. Inspection Fee/ Charges (as pre-greed between buyer and Inspection Agency) would be borne by the buyer as per their internal arrangement but may be recovered from the seller if the consignment failed to conform to contractual specification and got rejected by the Inspection Officer .If so requested and accepted by the seller , initially seller may pay for inspection charges as applicable and get the same reimbursed from buyer if consignment accepted by the Inspecting Officer . For reimbursement seller has to submit proof of payment to Inspection Agency.

Seller/OEM shall send a notice in writing / e-mail to the Inspecting officer / inspection agency specifying the place of inspection as per contract and the Inspecting officer shall on receipt of such notice notify to the seller the date and time when the stores would be inspected. The seller shall, at his own expenses, afford to the Inspecting officer, all reasonable facilities as may be necessary for satisfying himself that the stores are being and or have been manufactured in accordance with the technical particulars governing the supply. The decision of the purchaser representative /inspection authority regarding acceptance / rejection of consignment shall be final and binding on the seller.

The Seller shall provide, without any extra charge, all materials, tools, labour and assistance of every kind which the Inspecting officer may demand of him for any test, and examination, other than special or independent test, which he shall require to be made on the seller's premises and the seller shall bear and pay all costs attendant thereon.

The seller shall also provide and deliver store / sample from consignment under inspection free of charge at any such place other than his premises as the Inspecting officer may specify for acceptance tests for which seller/OEM does not have the facilities or for special/ independent tests.

In the event of rejection of stores or any part thereof by the Inspecting officer basis testing outside owing to lack of test facility at sellers premises, the seller shall, on demand, pay to the buyer the costs incurred in the inspection and/or test. Cost of test shall be assessed at the rate charged by the Laboratory to private persons for similar work.

Inspector shall have the right to put all the stores or materials forming part of the same or any part thereof to such tests as he may like fit and proper as per QAP/governing specification. The seller shall not be entitled to object on any ground whatsoever to the method of testing adopted by the Inspecting officer.

Unless otherwise provided for in the contract, the quantity of the stores or materials expended in test will be borne by seller.

Inspecting officer is the Final Authority to Certify Performance / accept the consignment. The Inspecting officer's decision as regards the rejection shall be final and binding on the seller.

The seller shall if so required at his own expense shall mark or permit the Inspecting officer to mark all the approved stores with a recognised Government or purchaser's mark.

9. **Buyer Added Bid Specific ATC**

Buyer Added text based ATC clauses

1. The tender is towards the indigenous development of box terminal fitted on motor casing of Electro Hydraulic Pump of Jaguar Aircraft. The development process comprises of development phase (for approval of drawings, prototype, testing and qualification process) and production phase (bulk production of the item). Initially, a contract would be placed for the development phase (supply of prototype / FOS). The contracts for the production phase will be placed only after successful completion of the development of the item. However, the pricing for the production phase will be obtained from the seller and finalized in the initial contract, for utilization in future orders / contracts.
2. Before submission of quotation, interested bidder may visit HAL, Overhaul Division, Bangalore, for detailed assessment of the sample of the item, to understand the functional /End use ,Test Requirements, Vendor's scope of work and technical inputs for development of the item.
3. Bidder needs to provide comprehensive technical proposal (duly signed and stamped in the letter head of the bidder organization) for this tender, along with the technical bid, indicating compliance to each requirement brought out in the tender (except price) and elaborate on how the development of the item will be achieved, along with mention of relevant technical details, performance parameters, approach, technology proposed , illustrations, expertise, project management, quality management system and in house capabilities, resources and infrastructure , dependency on third party suppliers/vendors etc., Please note that bidder shall not act as a trader by offloading of the contract (resulting out if this tender) to any third party.
4. The Bidder should submit such document/s like submission of Integrity Pact/supporting additional documents etc., if required or as called in the tender, subsequent to opening of Bid or before finalizing the contract or PO, depending upon the then circumstance and decision

of HAL. Any failure to submit such document/s or Integrity Pact in HAL given format, shall amount to rejection of Bid, which decision shall be at the discretion of HAL.

5. HAL reserves the right to cancel this tender in partial or whole, without assigning any reasons thereof.
6. The bidder should have in-house Design & Manufacturing capabilities to greater extent. Bidder has to provide list/details, with document, along with the technical bid, for followings:
 - i) Design capability.
 - ii) Engineering resources and experience in the field relevant to this tender.
 - iii) Production, manufacturing and testing capabilities, list of machines & equipments used.

HAL also reserves the right to call for additional documentations/details (if required) and also visit the vendor premises, sub vendors, to assess and decide the competency of the vendor and decide on acceptance/rejection of their bid.

Dependency on sub-vendor for significant part of Design, Manufacturing work, will lead to rejection of bid.

False declaration with respect to above and any other tender condition /scope, will lead to rejection of Bid/cancellation of contract, without any liability on part of HAL.

HAL also reserves the right to reject bids of such bidder, who have bagged development orders (PO) earlier and not executed / attributed significant delay in execution, consistently in majority of orders.

7. HAL technical team (if required), would inspect the facilities of the bidder, to assess the Technical Capabilities, Infrastructure available and Quality Management System, before finalization of the technical evaluation of the Bids. HAL reserves the right to reject the offer of the bidder, in the event of no in-house value addition activities being carried out by the bidder or any technical /capacity/Quality constraints observed by the HAL Team.
8. Vendor with minimum 3 years of prior experience in Design, Development & manufacturing of Electrical Assembly components for Aircraft/Aerospace Industry, is mandatory requirement for this tender. Documents related to such components already developed /components under development, to be submitted along with the technical bid.
9. Payment for NRC/Testing/Other Charges for the item, would be released to the supplier (in the event of order for the item) after supply of the full quantity of the item of the development phase to HAL.
10. For any repair / overhaul charges beyond the warranty period of the item (if repairable), Bidder is requested to indicate the maximum % of the quoted price, which would be chargeable for the repair / overhaul of the item. The modalities of any repair/Overhaul

rehaul of the item (if applicable) would be worked out and separate purchase order would be released to the qualified bidder.

11. In case of any alternate Part Number offered, the bidder should attach the copy of the technical specification / technical data sheet of such alternate Part Number, for technical evaluation of the offer. Failure to provide the requisite technical details / documents of the alternate Part Number offered, would lead to rejection of the offer. Please note that HAL reserves the right to accept or reject such alternate Part Number offered.
12. Wherever RFQ stipulates qualification/eligibility criteria to be met by bidder, such as prior experience and/or prior turn-over, the criterion will be relaxed w.r.t. to all start-ups and MS Es subject to meeting of quality and technical specifications stipulated in the tender. Also vendor shall furnish documentary proof for being MSEs/Start-up as stipulated by the Ministry, Govt. of India. However, for procurement of items related to public safety, health, critical security operations and equipment etc., where vendors with prior experience are preferred rather than giving orders to new entities, in such cases, wherever adequate justification exists, prior experience/turnover criteria to start-ups and MSEs may not be relaxed.
13. Conditional offers shall be rejected.
14. If required by HAL, the bidder shall arrange to make a presentation (through physical mode/video conferencing mode) on the technical /Quality aspects pertaining to the development of the item, prior to the finalization of technical evaluation of the bids received for this tender.
15. The year wise quantity requirement of the item for the production phase of the item, has been indicated in the tender (firm and anticipated requirement beyond the development phase). Initially, a purchase order for only the development phase (including NRC and testing charges), will be placed on the successful bidder for testing / certification purpose.
16. The successful bidder for this tender would be determined by evaluation based on the lowest collective price {inclusive of the total item price quoted for development phase quantity, NRC, Testing charges, Other charges (if any), Recurring Cost (RC) quoted for the production phase (firm and anticipated requirement as indicated in the tender) and applicable taxes} with appropriate loading, as applicable as per tender terms and evaluation system, as per HAL procedure & policy.
17. The prices quoted for the tender should be firm and fixed till completion of development and supply of all quantities of the item indicated in the tender.
18. After successful completion of development of the item, ordering will be carried out for the production phase, as per the year wise quantity requirement indicated in the tender on the successful bidder. Bidder has to supply the items as per the year wise pricing and delivery schedule offered in their quotation. Further beyond this, Bidder/Seller has to supply the items as per agreed escalation/price variation rate. Bidder is expected to consider future business volume of the items and the prices of the items to be offered for the production phase, should be competitive, when compared to that offered for development phase of the item. All orders for production phase will be placed, only after successful completion of development phase and for the quantity require

ments as decided /indicated by HAL.

19. HAL also envisages to place orders for future requirements of the item (beyond the present tender quantities) after successful development of the item . Hence, bidder is requested to offer the annual price escalation in their price bid, which would be applicable for future ordering of the item (beyond the initial production phase). Placement of future purchase orders (if any) to the Qualified bidder, would be based on HAL production schedule/requirements at that point of time.
20. Bidder is also requested to indicate slab quantity wise prices (as mentioned in the tender for future requirements) for the item, with suitable reduction in prices, considering increase in quantities / volume of business of the item.
21. In case of any delay in development of the item, the further quantities to be ordered could vary in comparison with the quantities mentioned in the tender.
