1. Preference to Make In India products (For bids < 200 Crore):Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers

as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to participate .The buyers are advised to refer the OM No.F.1/4/2021-PPD dated 18.05.2023.

[OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017.

2. Purchase preference will be given to MSEs having valid Udyam Registration and whose credentials are validated online through Udyam Registration portal as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail themselves of the Purchase preference, the bidder must be the manufacturer / OEM of the offered product on GeM. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises and hence resellers offering products manufactured by some other OEM are not eligible for any purchase preference. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service and Buyer will decide eligibility for purchase preference based on documentary evidence submitted, while evaluating the bid. If L-1 is not an MSE and MSE Seller (s) has / have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such MSE Seller shall be given opportunity to match L-1 price and contract will be awarded for 100% (selected by Buyer) percentage of total quantity. The buyers are advised to refer the OM No. F.1/4/2021-PPD dated 18.05.2023 [OM No.1 4 2021 PPD dated 18.05.2023](#) for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if seller is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.

क्रेता द्वारा जोड़ी गई बिड की विशेष शर्तें/Buyer Added Bid Specific Terms and Conditions

1. Generic

OPTION CLAUSE: The Purchaser reserves the right to increase or decrease the quantity to be ordered up to 25 percent of bid quantity at the time of placement of contract. The purchaser also reserves the right to increase the ordered quantity up to 25% of the contracted quantity during the currency of the contract at the contracted rates. The delivery period of quantity shall commence from the last date of original delivery order and in cases where option clause is exercised during the extended delivery period the additional time shall commence from the last date of extended delivery period. The additional delivery time shall be $(\text{Increased quantity} \div \text{Original quantity}) \times \text{Original delivery period (in days)}$, subject to minimum of 30 days. If the original delivery period is less than 30 days, the additional time equals the original delivery period. The Purchaser may extend this calculated delivery duration up to the original delivery period while exercising the option clause. Bidders must comply with these terms.

1	1100002755 dt. 22.06.2025	NMDC Code No. 1600767020 Heavy Duty Battery Operated Torque Wrench 300-3200 Nm Drive-1" Max WT 7 Kg.	1 No. (One)

TECHNICAL SPECIFICATIONS OF BATTERY OPERATED TORQUE WRENCH

1. Torque Range : 300 Nm – 3200 Nm
2. Maximum Weight: 7 kg (without reaction arm and battery)
3. Drive: 1"
4. The tool should have manual torque selection mechanics by changing rpm and gear selection.
5. Motion: It should work 360 degrees in both forward and reverse direction and should have torque selection in at least two gear settings.
6. Each setting must have a predefined and specific torque value
7. Protection:
 - a. It should have a temperature control sensor which should stop the machine in case of overheating.
 - b. Ingress protection should not be less than IP20.
8. Battery:
 - a. Not lesser than 18V, 6 Ah Li-Ion high-power batteries.
 - b. Battery should be charged at 220V 50Hz power supply.
 - c. Battery shall not weigh more than 750g.
 - d. Battery should be available locally in India through battery OEM separately
 - e. Please specify the Battery Manufacturers name and details

9. The charger should be quick charge type and should be able to charge the battery in 30 mins max
10. **Warranty:** It should have atleast 2 years of warranty. If any service is required during this period, the same is to be supplied/rectified by the supplier on free of cost basis.
11. The OEM must have a company owned/ operated service centre in India.

Accessories to be supplied:

1. Battery charger and it should have battery charge level indicator.
2. Two numbers of battery.
3. Heavy Duty Impact Sockets (1" drive):
 - a) 30mm
 - b) 32mm
 - c) 36mm
 - d) 41mm
 - e) 46mm
 - f) 50mm
 - g) 55mm
 - h) 60mm
 - i) 65mm

Technical Specifications of Heavy Duty Battery Operated Torque Wrench/Nut-Runner

General Description :- The record item 'Battery-Operated torque wrench/nut-runner' is a planetary torque multiplier or a gearbox which is operated through a heavy duty- removable battery. The torque wrench should have brushless motor and automatic locking of gearbox with the nut-runner. The torque wrench should be light weight and ergonomically designed for use. Its operation should be quite and vibration free. The technical details are as follows: The tools should be delivered in a robust professional tool case which can carry the tool with battery, 01 additional battery & reaction arm.

1. **Torque range (Nm) :-**
 1. Minimum torque should be < 500 Nm
 2. Maximum torque should be < 4800 Nm
2. **Socket drive of machine & Reaction Arm :-** 1 & ½" square drive. Standard reaction arm is to be supplied along with the tool.
3. **Battery :-** Heavy-duty long-lasting battery of at-least 18V 5Ah. The system should be charged at 220V 50hz power supply.

Battery should have percentage indication.

4. **Gross weight of machine (Kg) :-**Should be < **9 kgs without reaction arm but incl. battery.**
5. **Idle speed (RPM) :-**Should be > **5 RPM**
6. **Total Length of the equipment (m) :-**Should be < **0.5 meters**
7. **Motion :-** It should works 360 degrees in both forward and reverse direction and should work in at- least two speed setting s.
8. **Torque selection :-** The tools should have manual torque selection mechanics by changing rpm & gear selection. The system should have at least 40 different torque values available for selection.
9. **Protections :-**
 1. The torque wrench should have a temperature control sensor which should stop the machine in case of overheating.
 2. Ingress Protection should not be less than IP20
10. **Sockets to be supplied :-**The sockets of following sizes are to be supplied along with the torque wrench.
 1. 32, 36, 41, 46, 50, 55, 60 (01 no. each)
 2. Deep sockets of 100 mm depth of sizes 1 ½ & 2 5/16 (02 no's each)
11. **Additional Spares :-** 1 no charger and 02 no's batteries
12. **Initial Spares :-** Initial spares required for satisfactory working of the equipment for 02 years pf operation in addition of the spares mentioned above are to be supplied along with the equipment. List of such spares is to be provided along with the offer.
13. **Spare part & Operation manual :-** Min 02 sets of spare part and operation manual are to be supplied along with the equipment.
14. **Warranty :- The torque wrench should have at least One year of warranty.** If any spare apart from quoted above or any service is required during the period, the same is to be supplied/rectified by the supplier on free of cost basis. The warranty period will be extended by the period the tool is under breakdown.
15. **Demonstration of item :-**Being a high value & sophisticated items, successful bidders have to demonstrate successful operations of the torque wrench at our site in different equipments for technical qualification.
16. **Training :-** All- important operation instruction & any specialized training if required, is to be provided to our mechanics after receipt of the time by your service personnel.

ANNEXURE-II

PRE-QUALIFICATION CRITERIA [PQC]

1. The prospective Bidder (which term shall mean and include the manufacturers and/or its agent(s), viz. Authorized dealer/distributor/ channel partners/ trading house or, whatever other name is known) must have supplied & commissioned jointly or severally as the case may be at least **Two (2) No. of similar equipment/ equivalent or better specification internationally (i.e. anywhere in India / outside India) or in India during last Ten (10) years** (Purchase order date) ending last day of the month previous to the one in which the tender(s) is invited.
2. At least **01 No. of such equipment/item** must be working satisfactorily in India or Internationally (i.e. anywhere in India / outside India) for a minimum period of one year during the period from the date of commissioning to the day ending last day of the month previous to the one in which tenders are invited. **Documentary evidence to the above should be enclosed.**

The bidder should furnish following documentary proof in support of meeting this Pre-Qualification criteria

- I. Purchase order / work order/ contract/ agreement copies received.**
- II. Details of PO Execution (Invoice Copies/Delivery Challan /Store Receipt copy against the same PO which is submitted in support of Point-I as above).**
- III. Fitment report/ Commissioning certificate/ Work completion certificate issued by the customer/ buyer against the same PO which is submitted in support of Point-I as above.**
- IV. Performance Certificate issued by the customer/ buyer against the same PO which is submitted in support of Point-I as above**

V. Manufacturer Authorization certificate, if any

Similar Equipment/item means Equipment/item of same function and same or higher capacity as per the Technical Specifications, which is stated as below :-

Heavy Duty Battery Operated Torque Wrench of Capacity 4800 Nm or Higher

In case bidders who are not in a position to submit the past supply order copies, invoices, commissioning report, satisfactory performance report etc., due to confidentiality law of particular country, a copy of such laws should be enclosed along with the offer for claiming exemption for submitting the above documents and in such cases the bidder should enclose a customer list for the type and model of equipment/item offered duly in signed and stamped by the Original Equipment Manufacturer and duly notarized through their Indian counter Part / Agencies, clearly indicating the customer Name & Address, Contact number and date, Date of supply, erection & commissioning, guaranteed annual availability, if any.

3. The tenderer(s) should submit a **self-certificate** along with their offer in **Part-“A” (Techno commercial bid)** stating that the satisfactory performance/ desired level of performance guarantee parameters stipulated in the Purchase order have been met and **no Guarantee /Warranty is pending** against the Purchase /supply order received by them. However, NMD C reserves the right to verify the above or get the performance details from the concerned buyers / customers of the product. Tenderers are required to furnish relevant information regarding the name of the customer, contact details, supply order reference, date of supply etc.
4. The bidder should have well established after sales service, parts network and repair facility in India or Internationally either through themselves or through their authorized service agents (**Copy to be attached**). In case the bidder does not have such facility in India, they should establish such facility within 03 months of supply of the equipment/item (**Self-certificate to be attached along with the offer**).

Bidders satisfying the above Pre-qualification Criterion shall only be qualified for participation in the tender & will be considered for evaluation.

Where the tenderer is an authorized Distributor/Dealer of the OEM/ OPM, such tenderer may submit documents of OEM/ OPM for satisfying the above Pre-Qualifying Criteria supplied either through OEM/ OPM or through any of the dealer.

All the Bidders should submit the PQC documents as stated above and fill the details of submitted documents in the following tabular form

Sl. No	Particulars	To be filled by Bidder	Corresponding Copy to be submitted by Bidder
1	Customer Name	M/s.	
	PO No. & Date of customer		Submitted/ Not Submitted
	Invoice No & Date of corresponding PO		Submitted/ Not Submitted
	Fitment report/ Commissioning certificate/ Work completion certificate with date of corresponding PO	-	Submitted/ Not Submitted
	Performance certificate with date issued by the customer/ buyer of corresponding PO		Submitted/ Not Submitted
	Manufacturer Authorization certificate, if any	Applicable/ Not Applicable	Submitted/ Not Submitted
	self-certificate regarding satisfactory performance of past supplies		Submitted/ Not Submitted

	Details of sales service, parts network and repair facility available in India		Submitted/ Not Submitted
2	Customer Name	M/s.	
	PO No. & Date of customer		Submitted/ Not Submitted
	Invoice No & Date of corresponding PO		Submitted/ Not Submitted
	Fitment report/ Commissioning certificate/ Work completion certificate with date of corresponding PO	-	Submitted/ Not Submitted
	Performance certificate with date issued by the customer/ buyer of corresponding PO		Submitted/ Not Submitted
	Manufacturer Authorization certificate, if any	Applicable/ Not Applicable	Submitted/ Not Submitted
	self-certificate regarding satisfactory performance of past supplies		Submitted/ Not Submitted
	Details of sales service, parts network and repair facility available in India		Submitted/ Not Submitted

Bidders are requested to ensure to fill the details of submitted documents in the above cited prescribed format or else their offer is liable for rejection.

INTERNAL PERFORMANCE IN PQC:

NMDC reserves the right to verify the internal performance of the earlier supplied similar/ higher capacity equipment/item, in the assessment period as mentioned in the PQC clause.

The internal performance reports obtained from user departments will be preferred over the performance reports submitted by the bidder and the decision of NMDC regarding the techno-commercial evaluation of the offer will be final.

IMPORTANT NOTE: The evaluation is based on Pre-Qualifying Conditions and clarification on PQC will be asked as per followings :

Bidder shall submit the copies of PO & corresponding required Documents against PQC along with the offer, failing which your offer shall be liable for rejection without any further correspondence. No new PO's & their corresponding documents shall be acceptable after opening of bid & only related shortfall documents should be asked for and considered. The shortfall information/documents should be sought only in case of historical documents which pre-existed at the time of the tender opening and which have not undergone change since then.

For examples:-

- I. If the bidder has submitted a valid Supply order (SO)/ Purchase Order (PO)/ Work Order (WO)/ Letter of Intent (LoI) as per the PQC, then only corresponding documents related to subject PO such as Invoice copy, Performance Certificate & other documents can be asked for and considered. However, no new supply order/ Purchase Order/ Work Order & any other document should be asked so as to qualify the bidder.
- II. If the bidder has submitted a Valid Work completion certificate/ Performance Certificate as per the PQC then only corresponding documents related to subject Work completion certificate/ Performance Certificate such as PO/WO/SO/LOI copies, Invoice Copies & other documents can be asked for and considered. However, no new Work completion certificate/ Performance Certificate & any other document should be asked so as to qualify the bidder.

III. If the bidder has submitted a valid Invoice copy or other similar document containing proof of Invoice as per the PQC then only corresponding documents related to subject Invoice such as PO/WO/SO/LOI copies, Performance Certificate and other documents can be asked for and considered. However, no new Invoice copy & any other document should be asked so as to qualify the bidder.

Note :- Please refer NIT Documents attached (Buyer Added Bid Specific ATC).

3. Buyer Added Bid Specific ATC

Buyer uploaded ATC document [Click here to view the file.](#)

अस्वीकरण/Disclaimer

The additional terms and conditions have been incorporated by the Buyer after approval of the Competent Authority in Buyer Organization, whereby Buyer organization is solely responsible for the impact of these clauses on the bidding process, its outcome, and consequences thereof including any eccentricity / restriction arising in the bidding process due to these ATCs and due to modification of technical specifications and / or terms and conditions governing the bid. If any clause(s) is / are incorporated by the Buyer regarding following, the bid and resultant contracts shall be treated as null and void and such bids may be cancelled by GeM at any stage of bidding process without any notice:-

1. Definition of Class I and Class II suppliers in the bid not in line with the extant Order / Office Memorandum issued by DPIIT in this regard.
2. Seeking EMD submission from bidder(s), including via Additional Terms & Conditions, in contravention to exemption provided to such sellers under GeM GTC.
3. Publishing Custom / BOQ bids for items for which regular GeM categories are available without any Category item bunched with it.
4. Creating BoQ bid for single item.
5. Mentioning specific Brand or Make or Model or Manufacturer or Dealer name.
6. Mandating submission of documents in physical form as a pre-requisite to qualify bidders.
7. Floating / creation of work contracts as Custom Bids in Services.
8. Seeking sample with bid or approval of samples during bid evaluation process. (However, in bids for [attached categories](#), trials are allowed as per approved procurement policy of the buyer nodal Ministries)
9. Mandating foreign / international certifications even in case of existence of Indian Standards without specifying equivalent Indian Certification / standards.
10. Seeking experience from specific organization / department / institute only or from foreign / export experience.
11. Creating bid for items from irrelevant categories.
12. Incorporating any clause against the MSME policy and Preference to Make in India Policy.
13. Reference of conditions published on any external site or reference to external documents/clauses.
14. Asking for any Tender fee / Bid Participation fee / Auction fee in case of Bids / Forward Auction, as the case may be.
15. Buyer added ATC Clauses which are in contravention of clauses defined by buyer in system generated bid template as indicated above in the Bid Details section, EMD Detail, ePBG Detail and MII and MSE Purchase Preference sections of the bid, unless otherwise allowed by GeM GTC.
16. In a category based bid, adding additional items, through buyer added additional scope of work/ additional terms and conditions/or any other document. If buyer needs more items along with the main item, the same must be added through bunching category based items or by bunching custom catalogs or bunching a BoQ with the main category based item, the same must not be done through ATC or Scope of

Work.

Further, if any seller has any objection/grievance against these additional clauses or otherwise on any aspect of this bid, they can raise their representation against the same by using the Representation window provided in the bid details field in Seller dashboard after logging in as a seller within 4 days of bid publication on GeM. Buyer is duty bound to reply to all such representations and would not be allowed to open bids if he fails to reply to such representations.

All GeM Sellers/Service Providers shall ensure full compliance with all applicable labour laws, including the provisions, rules, schemes and guidelines under the four Labour Codes i.e. the Code on Wages, 2019; the Industrial Relations Code, 2020; the Occupational Safety, Health and Working Conditions Code, 2020; and the Code on Social Security, 2020 as and when notified and brought into force by the Government of India.

For all provisions of the Labour Codes that are pending operationalisation through rules, schemes or notifications, the corresponding provisions of the pre-existing labour enactments (such as The Minimum Wages Act, 1948, The Payment of Wages Act, 1936, The Payment of Bonus Act, 1965, The Equal Remuneration Act, 1976, The Payment of Gratuity Act, 1972, etc. and relevant State Rules) shall continue to remain applicable.

The Seller/ Service Providers shall, therefore, be responsible for ensuring compliance under:

- **All notified and enforceable provisions of the new Labour Codes as mentioned hereinabove; and**
- **All operative provisions of the erstwhile Labour Laws until their complete substitution.**

All obligations relating to wages, social security, safety, working conditions, industrial relations etc. and any other statutory requirements shall be strictly met by the Seller/ Service Provider. Any non-compliance shall constitute a breach of the contract and shall entitle the Buyer to take appropriate action in accordance with the contract and applicable law.

[यह बिड सामान्य शर्तों के अंतर्गत भी शासित है /This Bid is also governed by the General Terms and Conditions](#)

जेम की सामान्य शर्तों के खंड 26 के संदर्भ में भारत के साथ भूमि सीमा साझा करने वाले देश के बिडर से खरीद पर प्रतिबंध के संबंध में भारत के साथ भूमि सीमा साझा करने वाले देश का कोई भी बिडर इस निविदा में बिड देने के लिए तभी पात्र होगा जब वह बिड देने वाला सक्षम प्राधिकारी के पास पंजीकृत हो। बिड में भाग लेते समय बिडर को इसका अनुपालन करना होगा और कोई भी गलत घोषणा किए जाने व इसका अनुपालन न करने पर अनुबंध को तत्काल समाप्त करने और कानून के अनुसार आगे की कानूनी कार्रवाई का आधार होगा।/In terms of GeM GTC clause 26 regarding Restrictions on procurement from a bidder of a country which shares a land border with India, any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority. While participating in bid, Bidder has to undertake compliance of this and any false declaration and non-compliance of this would be a ground for immediate termination of the contract and further legal action in accordance with the laws.

---धन्यवाद/Thank You---
